Abbott, 2016-09-08 Explores the intersection of the vampire and zombie with 21st Century dystopian and post apocalyptic

cinema Twenty first century film and television is overwhelmed with images of the undead Vampires and zombies have often been seen as oppositional one alluring the other repellant one seductive the other infectious With case studies of films like I Am Legend and 28 Days Later as well as TV programmes like Angel and The Walking Dead this book challenges these popular assumptions and reveals the increasing interconnection of undead genres Exploring how the figure of the vampire has been infused with the language of science disease and apocalypse while the zombie text has increasingly been influenced by the trope of the reluctant vampire Stacey Abbott shows how both archetypes are actually two sides of the same undead coin When considered together they present a dystopian sometimes apocalyptic vision of twenty first century existence Key features Rather than seeing them as separate or oppositional this book explores the intersection and dialogue between the vampire and zombie across film and television Much contemporary scholarship on the vampire focuses on Dark Romance while this book explores the more horror based end of the genre Offers a detailed discussion of the development of zombie television Provides a detailed examination of Richard Matheson's I Am Legend including the novel the script the adaptations and the BBFC's response to Matheson's script

ZOM-B Darren Shan, 2012-09-27 Zom-B is a radical new series about a zombie apocalypse told in the first person by one of its victims The series combines classic Shan action with a fiendishly twisting plot and hard hitting and thought provoking moral questions dealing with racism abuse of power and more As Darren says It's a big sprawling vicious tale a grisly piece of escapism and a barbed look at the world in which we live Each book in the series is short fast paced and bloody A high body count is guaranteed Can you love a bullying racist thug if he's your father How do you react when confronted with your darkest inner demons What do you do when zombies attack B Smith is about to find out

ZOM-B Mission Darren Shan, 2014-03-27 What has happened to the world

since the dead took over Where have the humans gone to hide Who do the living most have to fear B Smith is heading for unknown territory Leading a group of humans through London and out into zombie infested suburbs sounds like suicide but not for the undead Even so the horrors of the journey will be beyond anything B has yet seen Do not underestimate the dangers of this mission Other zombies will not ignore you when they catch the scent of fresh brains You will almost surely be called upon to fight The city and countryside are full of angry bitter people who are trying to execute as many of the undead as they can They will not distinguish between a revitalised and a revived Most do not know there is a difference And most would not care
