Fifty Modern and Contemporary Dramatists Maggie B. Gale, John F. Deeney, 2014-11-27 Fifty Modern and Contemporary and Dramatists is a critical introduction to the work of some of the most important and influential playwrights from the 1950s to the present day The figures chosen are among the most widely studied by students of drama theatre and literature and include such celebrated writers as Samuel Beckett Caryl Churchill Anna Deavere Smith Jean Genet Sarah Kane Heiner Müller Arthur Miller Harold Pinter Sam Shephard Each short essay is written by one of an international team of academic experts and offers a detailed analysis of the playwright's key works and career The introduction provides an historical and theatrical context to the volume which provides an invaluable overview of modern and contemporary drama

The Routledge Anthology of Early Modern Drama Jeremy Lopez, 2020-03-10 The Routledge Anthology of Early Modern Drama is the first new collection of the drama of Shakespeare's contemporaries in over a century This volume comprises seventeen accessible thoroughly glossed modernized play texts intermingling a wide range of unfamiliar works including the anonymous Look About You Massinger's The Picture Heminge's The Fatal Contract Heywood's The Four Prentices of London and Greene's James IV with more familiar works such as Marlowe's Doctor Faustus Webster's The Duchess of Malfi and Middleton's Women Beware Women Each play is edited by a different leading scholar in the field of early modern studies bringing specific expertise and context to the chosen play text With an unprecedented variety of plays and critical introductions that focus on the diversity and strangeness of different early modern approaches to the artistic and commercial enterprise of play making The Routledge Anthology of Early Modern Drama will offer vital new perspectives on early modern drama for scholars students and performers alike

Thinking Through Theatre and Performance Maaike Bleeker, Adrian Kear, Joe Kelleher, Heike Roms, 2019-02-07 Thinking Through Theatre and Performance presents a bold and

innovative approach to the study of theatre and performance Instead of topics genres histories or theories the book starts with the questions that theatre and performance are uniquely capable of asking How does theatre function as a place for seeing and hearing How do not only bodies and voices but also objects and media perform How do memories emotions and ideas continue to do their work when the performance is over And how can theatre and performance intervene in social political and environmental structures and frameworks Written by leading international scholars each chapter of this volume is built around a key performance example and detailed discussions introduce the methodologies and theories that help us understand how these performances are practices of enquiry into the world Thinking through Theatre and Performance is essential for those involved in making enjoying critiquing and studying theatre and will appeal to anyone who is interested in the questions that theatre and performance ask of themselves and of us

Critical Perspectives on Contemporary Plays by Women Penny Farfan, Lesley Ferris, 2021-07-22 This book foregrounds some of the ways in which women playwrights from across a range of contexts and working in a variety of forms and styles are illuminating the contemporary world while also contributing to its reshaping as they reflect rethink and reimagine it through their work for the stage The book is framed by a substantial introduction that sets forth the critical vision and structure of the book as a whole and an afterword that points toward emerging currents in and expansions of the contemporary field of playwriting by women on the cusp of the third decade of the twenty first century Within this frame the twenty eight chapters that form the main body of the book each focusing on a single play of critical significance together constitute a multi faceted inevitably partial yet nonetheless integral picture of the work of women playwrights since 2000 as they engage with some of the most pressing issues of our time Some of these issues include the continuing oppression of and violence against women people of color LGBTQ people and ethnic minorities the ongoing processes of decolonization the consequences of neoliberal capitalism the devastation and enduring trauma of war global migration and the refugee crisis the turn to right wing populism and the impact of climate change including environmental disaster and species extinction The book is structured into seven sections Replaying the Canon Representing Histories Staging Lives Re imagining Family Navigating Communities Articulating Intersections and New World Order s These sections group clusters of plays according to the broad critical actions they perform or in the case of the final section the new world orders that they capture through their stagings of the seeming impasse of the politically and environmentally catastrophic global present moment There are many other points of resonance among and across the plays but this seven part structure foregrounds the broader actions that drive the plays both in the Aristotelian dramaturgical sense and in the larger sense of the critical interventions that the plays creatively enact In this way the seven part structure establishes correspondences across the great diversity of dramatic material represented in the book while at the same time identifying key methods of critical approach and areas of focus that align the book s contributors across this diversity The structure of the book thus parallels what the playwrights themselves are doing but also how the contributors are approaching

their work Plays featured in the book are from Canada Australia South Africa the US the UK France Argentina New Zealand Syria Brazil Italy and Austria the playwrights include Margaret Atwood Leah Purcell Ya I Farber Paula Vogel Adrienne Kennedy Suzan Lori Parks debbie tucker green Lisa Loomer H I ne Cixous Anna Deavere Smith Lola Arias Lisa Kron and Jeanine Tesori Marie Clements Quiara Alegr a Hudes Alia Bano Holly Hughes Whiti Hereaka Julia Cho Liwaa Yazji Grace Pass Dominique Morisseau Emma Dante Frances Ya Chu Cowhig Lynn Nottage Elfriede Jelinek Caryl Churchill Colleen Murphy and Lucy Kirkwood Encompassing several generations of playwrights and scholars ranging from the most senior to mid career to emerging voices the book will be essential reading for established researchers a valuable learning resource for students at all levels and a useful and accessible guide for theatre practitioners and interested theatre goers **Queering Early Modern Death in England** Lauren Shohet,Christine Varnado,2025-08-21 What does queer death have to do with early modern England This collection interrogates the profoundly queer strange excessive camp and uncanny dimensions of death in early modern English literary theatrical and material archives Contributors provide new insights on death by using the analytic tools of queer theory via non binary analyses of gender sexuality humanity nature embodiment and temporality Turning queer analysis to questions of death allows it to be understood as non dualist non linear a teleological and fruitfully muddled The essays illuminate early modern experiences before the ascendancy of Cartesian dualism occluded alternative understandings of death They also speak to a present and a future where many received paradigms no longer hold Key dramatic texts from the early modern period including The Duchess of Malfi The Alchemist The Spanish Tragedy The Winter s Tale Richard III and A Midsummer Night s Dream show the expansive possibilities of death and dying in a queer mode Further essays consider queer dimensions of death in lyric poetry animal husbandry typology and Shakespearean authorship These approaches make clear why readers interested in queerness and death should immerse themselves in the cultural life of sixteenth and seventeenth century England Representing the Plague in Early Modern England Rebecca Totaro,Ernest B. Gilman,2010-09-13 This collection offers readers a timely encounter with the historical experience of people adapting to a pandemic emergency and the corresponding narrative representation of that crisis as early modern writers transformed the plague into literature The essays examine the impact of the plague on health politics and religion as well as on the plays prose fiction and plague bills that stand as witnesses to the experience of a society devastated by contagious disease Readers will find physicians and moralists wrestling with the mysteries of the disease erotic escapades staged in plague time plays the poignant prose works of William Bullein and Thomas Dekker the bodies of monarchs who sought to protect themselves from plague the chameleon like nature of the plague as literal disease and as metaphor and future strains of plague literary and otherwise which we may face in the globally minded technology dependent and ecologically awakened twenty first century The bubonic plague compelled change in all aspects of lived experience in Early Modern England but at the same time it opened space for writers to explore new ideas and new literary forms not all of them somber or horrifying and some of them

downright hilarious By representing the plague for their audiences these writers made an epidemic calamity intelligible for them the dreaded disease could signify despair but also hope bewilderment but also a divine plan quarantine but also liberty death but also new life *Print and the Poetics of Modern Drama* W. B. Worthen, 2005 In *Print and the Poetics of Modern Drama* W B Worthen asks how the print form of drama bears on how we understand its dual identity *Lacan, Discourse, Event: New Psychoanalytic Approaches to Textual Indeterminacy* Ian Parker, David Pavón-Cuellar, 2013-10-30 *Lacan Discourse Event New Psychoanalytic Approaches to Textual Indeterminacy* is an introduction to the emerging field of Lacanian Discourse Analysis It includes key papers that lay the foundations for this research and worked examples from analysts working with a range of different texts The editors Ian Parker and David Pav n Cu llar begin with an introduction which reviews the key themes in discourse analysis and the problems faced by researchers in that field of work including an overview of the development of discourse analysis in different disciplines psychology sociology cultural studies and political and social theory They also set out the conceptual and methodological principles of Lacan s work insofar as it applies to the field of discourse Ian Parker and David Pav n Cu llar have divided the book into three main sections The first section comprises previously published papers some not yet available in English which set out the foundations for Lacanian Discourse Analysis The chapters establish the first lines of research and illustrate how Lacanian psychoanalysis is transformed into a distinctive approach to interpreting text when it is taken out of the clinical domain The second and third parts of the book comprise commissioned papers in which leading researchers from across the social sciences from the English speaking world and from continental Europe and Latin America show how Lacanian Discourse Analysis works in practice *Lacan Discourse Event New Psychoanalytic Approaches to Textual Indeterminacy* is intended to be a definitive volume bringing together writing from the leaders in the field of Lacanian Discourse Analysis working in the English speaking world and in countries where Lacanian psychoanalysis is part of mainstream clinical practice and social theory It will be of particular interest to psychoanalysts of different traditions to post graduate and undergraduate researchers in psycho social studies cultural studies sociology and social anthropology **Drugs and Theater in Early Modern England** Tanya Pollard, 2005-02-17 *Drugs and Theater in Early Modern England* asks why Shakespeare and his contemporary playwrights were so preoccupied with drugs and poisons and at a deeper level why both critics and supporters of the theater as well as playwrights themselves so frequently adopted a chemical vocabulary to describe the effects of the theater on audiences Drawing upon original medical and literary research Pollard shows that the potency of the link between drugs and plays in the period demonstrates a model of drama radically different than our own a model in which plays exert a powerful impact on spectators bodies as well as minds Early modern physiology held that the imagination and emotions were part of the body and exerted a material impact on it yet scholars of medicine and drama alike have not recognised the consequences of this idea Plays which alter our emotions and thought simultaneously change us physically This book argues that the power

of the theater in early modern England as well as the striking hostility to it stems from the widely held contemporary idea that drama acted upon the body as well as the mind In yoking together pharmacy and theater this book offers a new model for understanding the relationship between texts and bodies Just as bodies are constituted in part by the imaginative fantasies they consume the theater's success and notoriety depends on its power over spectators bodies Drugs which conflate concerns about unreliable appearances and material danger evoked fascination and fear in this period by identifying a convergence point between the imagination and the body the literary and the scientific the magical and the rational This book explores that same convergence point and uses it to show the surprising physiological powers attributed to language and especially to the embodied language of the theater

Theatrical Convention and Audience Response in Early Modern Drama Jeremy Lopez,2002-12-05 This book gives a detailed and comprehensive survey of the diverse theatrically vital formal conventions of the drama of Shakespeare and his contemporaries Besides providing readings of plays such as Hamlet Othello Merchant of Venice and Titus Andronicus it also places Shakespeare emphatically within his own theatrical context and focuses on the relationship between the demanding repertory system of the time and the conventions and content of the plays Lopez argues that the limitations of the relatively bare stage and non naturalistic mode of early modern theatre would have made the potential for failure very great and he proposes that understanding this potential for failure is crucial for understanding the way in which the drama succeeded on stage The book offers perspectives on familiar conventions such as the pun the aside and the expository speech and it works toward a definition of early modern theatrical genres based on the relationship between these well known conventions and the incoherent experience of early modern theatrical narratives *Notelets of Filth* Laura Kressly,Aida Patient,Kimberly A.
