Three Men on the Bummel Jerome Klapka Jerome, 2020-01-11 A Bummel I explained I should describe as a journey long or short without an end the only thing regulating it being the necessity of getting back within a given time to the point from which one started Sometimes it is through busy streets and sometimes through the fields and lanes sometimes we can be spared for a few hours and sometimes for a few days But long or short but here or there our thoughts are ever on the running of the sand We nod and smile to many as we pass with some we stop and talk awhile and with a few we walk a little way We have been much interested and often a little tired But on the whole we have had a pleasant time and are sorry when it s over
