*His Reverie* Monica Murphy, 2014-07-28 I knew from the moment I first saw her she was the one The only girl I could ever want The only girl I could ever love She is light I am darkness She is innocent I've done too much She is good I am bad She is my every dream I should be her every nightmare We come from different worlds She's perfect And I'm Not Somehow she wants me anyway So we'll grasp at what we can We're going to make this summer count She's my secret And I'm hers The problem with secrets is they never last for long And when others discover we're together they'll do whatever it takes to keep us apart All I know is I won't let them Because Reverie Hale She's mine Five Days Until You Monica

Murphy, 2015-04-23 Unsure That's how I'm feeling about my entire life Just when everything's good and I have it all under control my girl Chelsea decides she's going to leave me for the summer Despite my disappointment I have to support her It's what she wants an opportunity she can't say no to and no way will I be the one to stop her I love her too much to hold her back Opportunities are happening for me too though A big one that my brother in law Drew says I can't pass up I'm working extra hard So is Chelsea It's like we don't have any time to get together We keep making the same promise only five more days until we see each other again But we keep breaking that promise Is our relationship strong enough to survive all of these changes *Los Angeles Magazine*, 2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian New York Magazine, 1997-04-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Stealing Rose Monica Murphy, 2015-03-03 Monica Murphy the New York Times bestselling author of *One Week Girlfriend* continues her sexy contemporary romance series perfect for fans of Christina Lauren and Emma Chase about three powerhouse sisters and the men who would have their hearts It's time for this nice girl to be naughty Rose Fowler stays out of the limelight although working always behind the scenes for Fleur Cosmetics leaves her feeling unappreciated Until one night at a glittering party in Cannes it's her turn to step forward to say no to her father to outshine her sisters to walk away from it all straight into the arms of a gorgeous stranger But what if mysterious Caden is more than she bargained for He makes her feel sexy and free yet there's something dangerous about him too Maybe their chance meeting wasn't so random Maybe he was looking for her for a reason Whatever his motive there's no going back now
