matter that they can end their pain that Cindy's story can give them strength and encouragement when they see no light at the end of the tunnel and that one day they can be healed too

Psychopomp & Circumstance Red Dawn, This is Book Three in the Notte Oscura series Each book in this series is a standalone story with returning characters No one knew what was going on when Persephone showed up at Notte Oscura naked and covered in blood Take from me whatever you want and if you don't believe in fate after the full moon you are no longer obligated to continue our agreement Everything about Edward was an open book and if I'm being honest I was looking for a good read And here I thought hot flashes were the worst of what to expect in my forties Now I'm probably a werewolf I say probably because I have no memory of even seeing a werewolf let alone being attacked by one Still my body is going through some werewolf like changes Edward says he

s here to help me figure out what happened He also believes in things like fated mates and love at first sight But he says he s willing to put all that aside and be a slave to my desires until the next full moon You see my hormones are going crazy Turns out that if you become a shapeshifter in your forties the changes can be more severe As a result my libido is raging and Edward has kindly offered his services A slightly younger man to help unravel the mystery of what happened to me and satisfy my every need This could be interesting Warning This book contains graphic language mostly used by gnomes violence a sense of humor a dash of faerie dust and mature situations involving an insatiable wolfman Prepare yourself for a paranormal women s fiction novel of the spicy variety

The Blackest Shade of Blue Alexandra Skovera,2024-09-03 In Alura sirens take part in the Dive an ancient ritual that places them in one of three tribes the Azora the Voeks or the Draven Each tribe wields different powers and abilities some stronger than others A siren will know which one they join by the color of their hair for it will change to either white gold or black For Amaris the Dive has terrified her ever since she was a youngling From watching fellow sirens take part and her friend Jessenia Amaris only sees what the Dive takes away To her the Dive strips a siren of their personality and vibrance of life No matter how much Amaris tries to avoid it she cannot But unlike her fellow sirens when Amaris breaks the surface her hair isn t the color of any of the three tribes It s a shimmering blue If a siren isn t placed in one of the three tribes they no longer have a place in Alura Amaris quickly finds herself Adrift the first siren sent to live amongst the humans in centuries On the night she is forced to leave she receives a message from her friend Jessenia who is part of the Draven a coven of sirens who have the gift of Seeing Jessenia tells her that she must seek out the Four Mothers powerful beings who are part of the Divine Now suddenly an outcast Amaris is forced to start a search she has no clue where to start from But when an unfortunate encounter leads her to Ford a warlock and a sirens sworn enemy Amaris has no choice but to turn to him as a guide Especially when he reveals he has the information she needs As Amaris and Ford travel together to gather answers Amaris begins to question everything she thought to be true And as they get closer to finding the Mothers Amaris begins to wonder if she was sent Adrift for her own protection or for the protection of Alura
