It is a saga as well. A saga must have a hero and the hero of this one is a janitor with a missing bottle. The bottle is blue very very old and embossed with the image of a goat horned god. If the liquid in the bottle actually is the secret essence of the universe as some folks seem to think it had better be discovered soon because it is leaking and there is only a drop or two left **Another Roadside Attraction** Tom Robbins, 1971 What if the Second Coming didn't quite come off as advertised. And what if a young clairvoyant named Amanda reestablishes the flea circus as popular entertainment and fertility worship as the principal religious form of our high tech age. Another Roadside Attraction answers those questions and a lot more. It tells us for example what the sixties were truly all about not by reporting on the psychedelic decade but by recreating it from the inside out. In the process this stunningly original seriocomic thriller eating a literary hotdog and eroding the borders of the mind.
