The Golf Book Robert Sudha Hamilton, 2022-02-24 This is a book about golf and in particular why the game of golf is so special It is a book about why I love the game and why it has captured my passion and imagination Golf is unlike most other sporting contests in that you play primarily against the course and to a lesser extent against your playing partners and other competing golfers The lie of the land challenges you from the opening tee shot until the final putt drops The golf ball is not moving around when you come to play your shot and so appears to benignly beckon you to strike it The ground however may not be flat beneath your feet and uneven lies are common all over the course The face of the club head and golf ball are relatively small surfaces especially when you draw back the club head on a lengthy shaft until it is behind your head Returning the face of the club head square to the back of the ball at speed is no easy task for the beginner at the game of golf My intention in writing this book is to get inside some of the magical moments and some of the more humorous aspects of the game of golf There is an undeniable communing with nature flavour underpinning the game of golf where the field of play is so massive and majestic All successful subcultures have their own jargon which is delightfully shared by its members Golfers love to swap cliches whilst on the course as a rich part of the golfing experience A golf ball propelled onto the green by a well struck shot is said to be on the dance floor A shot struck beyond the green has airmailed the green An ace is a rare hole in one and this is an exclusive club within the game of golf for those golfers who have achieved this feat Golfers wanting a ball to cease its journey across the green cry out bite A putt

successfully rolled into the hole is drained Alternatively that putt could lip out and fail to remain in the hole Golf is a test of character and your sporting mettle A test of how you can stand up to scrutiny and the individual demands of a solo game like golf I think this is a big part of the game's appeal Men and women enjoy the challenge of pitting themselves against the course There is nowhere to hide during a competitive round and you only have yourself to blame when you muck it up and fall short The legendary Bobby Jones in his early days used to throw clubs and carry on out of frustration until it was pointed out to him what a bad look poor sportsmanship was and how damaging it can be to your game The mental game the character required to play golf and some of the history of the game's greatest are all a part of **The Golf Book Green Cathedral Dreams** 250 pages **Macworld** ,2007-07 [Golf Digest's Ultimate Drill Book](#) Jim McLean,2013-08-06 Elevate your golf game with the innovative high impact drills the pros use from renowned instructor Jim McLean To golfers of all proficiency levels skills and drills go hand in hand Jim McLean is one of the greatest living teachers of the game and in **Golf Digest's Ultimate Drill Book** he includes 120 precision golf exercises to address a wide array of concerns From tee shots to the short game readers can customize practice sessions depending on their unique trouble spots Revealing his time tested tactics for overcoming pitfalls golf guru Jim McLean revolutionizes the learning process with strategies for every aspect of the game Golfers will learn how to attain a perfect golf posture add distance to one's drive shoot well from tough lies pitch like a pro troubleshoot putts maintain mental focus and much more **Plunkett's InfoTech Industry Almanac 2007 (E-Book)** Jack W.
