The MBA Application Roadmap Stacy Blackman, Daniel J. Brookings, 2008 Since 2001 when she launched Stacy Blackman Consulting Stacy Blackman has helped clients gain admission to every top business school in the world Stacy has been profiled in several publications including Fortune Magazine BusinessWeek and the Wall Street Journal Since his graduation from the Harvard Business School Daniel J Brookings has worked as a strategy consultant Since 2003 Daniel has advised scores of MBA applicants on how to create an effective personal branding strategy and craft compelling applications Now Stacy Blackman and co author Daniel J Brookings share their MBA admissions secrets in this concise guide featuring 56 short easy to digest chapters From the Book If you are reading this book you have taken a solid first step in your business school admissions process Some people will argue that the applications are harder than the curriculum So don't give up business school will be a breeze if you can survive the grueling admissions process The challenge is the process of reflection and introspection that can be terrifying and truly daunting If done correctly it can also be revealing and personally rewarding not to mention exhilarating when you end up attending a dream school and hopefully altering the course of your life

Admitted Betsy Massar, 2011-12-10 The business school application scares most people Sure to outsiders it looks simple enough fill out a few forms take a standardized test send transcripts answer some essay questions get recommendations and voila you're in If only As you consider the prospect of business school you know it is not simple at all Even deciding whether to apply or to what schools you should apply is a challenge And there are no easy answers Unlike other guides to MBA admissions Admitted gives you a framework for applying and helps you organize your thoughts so that you can tell your authentic story in the MBA application It helps you navigate the process inspired by real life stories of those who have been there before and succeeded As you explore and try on different MBA programs for size Admitted serves as your guide Instead of telling you what school fits the exercises in the book encourage and challenge you to ask the important questions that will help you decide what fits and importantly what does not The workbook also has exercises for you to dissect your work history and create compelling stories about what you've achieved Admitted not only helps you structure your campaign it encourages you and gives you guidelines to explore your aspirations experience work style emotional intelligence and place in the world Betsy Massar's book gives MBA applicants a much needed framework for submitting a stellar application With this book you'll be able to tell stories about yourself that show off your leadership and emotional intelligence and gain the insight to build a well rounded holistic application Leila Pirnia Founder MBA

Podcaster This is the definitive guide to getting into a top MBA program The book s organized easy to read format is exactly what prospective business students need to prepare themselves for admission I highly recommend it Janet Hanson CEO and Founder 85 Broads If more potential MBA students knew about the tools in Admitted they d be able to write much stronger essays Betsy s witty insightful book will guide you through the thinking process that will help you get into a top business school Marie Highby former member of the Stanford Graduate School of Business admission team
