Christianity is at stake given the large numbers of young Americans leaving religion. The author analyzes strategies to engage the Nones by recruiting efforts of Evangelical Christian megachurches, educational initiatives by the US Catholic Bishops, and methods of the Nuns Nones movement which include dialogs, meals, meditations, and shared living experiences between Catholic sisters and the religiously unaffiliated. This approach involves spiritually accompanying Nones rather than efforts to proselytize or educate them. The concluding chapter explores ways for churches to engage Nones based on spiritual accompaniment approaches of the Nuns Nones movement.
