To Love A Rock Star English Edition:

The Girl Who Dared to Love a Rockstar Anna Bedney, 2024-10-13 What is it about rock stars Perhaps they re a unique group of people that don t exist with the rest of us in the real world Hannah can t quite figure it out either but she throws caution to the wind and takes a solo trip across the country to see an amazing band in lust with the singer whose voice rocks her world She never considered that she d become part of the show She would never ever dream she d find love in the form of the frontman of a heavy metal band She does and the crazy thing He loves her back *Rhodes to Love* Danika

Bloom, 2021-09-09 When I agree to be a single dad s fake wife for three months to fund my European dream trip I never expect our pretend family to feel more real than any life I ve ever imagined The story will tug at your heartstrings there is passion romance friendship facing your fears communication ups and downs twists and turns and family Wonderful story with great characters Goodreads reviewerLIZZY I need money fast and he needs a fake wife immediately When I agree to marry Adam Rhodes for three months it seems like the perfect solution He gets the stability courts require to keep custody of five year old Olivia and I get enough cash to fund my dream trip through Europe Simple Clean Temporary Except Adam isn t the shallow player I expected He s a devoted single dad who makes pancakes shaped like dinosaurs and reads bedtime stories with different voices for every character And the way he looks at me like I m something precious instead of just convenient makes my carefully built walls start to crumble The scarlet haired little girl who calls him Dadam melts my heart completely Olivia draws pictures of our family and whispers secrets that make me want to protect her fierce little spirit forever But I can t stay I ve spent my entire life watching my mother sacrifice her dreams for men who eventually left anyway I won t make the same mistake no matter how perfect Adam s arms feel wrapped around me or how right this borrowed life seems The problem is fake marriage is starting to feel devastatingly real And when Olivia s vindictive aunt returns with lawyers and ultimatums I realize I m not just fighting for my dreams anymore I m fighting for theirs **Only Love Can**

Break Your Heart David Samuels, 2009-05-26 In *Only Love Can Break Your Heart* David Samuels writes with a reportorial acumen and stylistic flair that recall the pioneering New Journalism of Gay Talese Tom Wolfe and Joan Didion Combining elegant nuanced personal essays with far out reporting on the lives of radicals in the Pacific Northwest anti abortion zealots demolition experts suburban hip hop stars and more Samuels shows us an American landscape whose unsettling mix of profound dislocations and blue sky optimism is both instantly recognizable and thrillingly new These essays display his unusual sensitivity to both the tragic and comic dissonances that bubble up from the gap between the American promise of endless nirvana and the lives of salesman dreamers aging baseball legends crackpots atomic test site workers and dog track bettors who struggle to live out their dreams one day at a time **Somebody to Love?** Grace Slick, Andrea

Cagan, 2024-09-24 Candid unpretentious Slick s refreshingly irreverent caustic candor makes her book miles more appealing than the standard rocker s autobiography Entertainment Weekly She has been called rock and roll s original female outlaw as

famous for her bad behavior as for her haunting singing voice In her twenty five year career as a musician Grace Slick charted dozens of hits and sold millions of albums From White Rabbit and Somebody to Love to Sarah and Miracles the songs she performed became the anthems of a generation Whether describing her antics at the White House with Abbie Hoffman or the unforgettable experience that was Woodstock Slick's recollections have the same rich imagery found in her lyrics In this provocative narrative readers will discover the many sides of Grace Slick as artistic pioneer she records songs with Jerry Garcia and David Crosby as practitioner of freedom and rebellion she sleeps with Jim Morrison and gets arrested for DUI on three separate occasions without actually being in a car and as a loving mother to actress China Kantner Slick offers a revealing self portrait of the woman behind the rock star image and delivers a behind the scenes view of the people and spirit that defined a quarter century of American pop culture Wildly funny candid and evocative Somebody to Love tells what it was really like during and after the Summer of Love and how one remarkable woman survived it all to remain today as vibrant and rebellious as ever The appealingly wry good humor Slick brings to her own life story makes this an engaging trip through two turbulent decades of rock n roll Publishers Weekly

Kate Moss: Addicted to Love Fred Vermorel, 2010-04-07 Party girl supreme and queen of street fashion supermodel and millionairess Kate Moss is as familiar in headlines as on the catwalk as the twin narratives of lurid tabloid stories and continuing adulation of the fashion industry demonstrates to all the paradox of fame Whether she's partying finding another way to get out of it or strutting self assuredly down a catwalk in Paris you can be sure photographers are in a huddle close by ready splash her or crash her in tomorrow's headlines She is now more familiar to some as the Cocaine Kate of recent tabloid headlines than as the face of Chanel and Burberry This searching and remarkable book charts both her career and personality as she is propelled out of a misspent youth by the hand of fate to the top of her profession and beyond to become an icon bigger than the brands she is paid a fortune to represent However within the whirlwind of that life the book reveals to us an all too human Kate Moss too as surprised as anyone by the nonsense of celebrity an apparently addictive personality with a frenetic desire to be loved that accounts for her merry go round of celebrity lovers and parallel quest for a dream man to endorse her ethereal fashion self From the Johnny Depp saga to her strange affair with Pete Doherty this book recounts it all in a fast paced taboo shattering style that is in a mould reminiscent of previous daring exposes from Fred Vermorel

This Ain't the Summer of Love Steve Waksman, 2009-02-04 Waksman brings a new understanding to familiar material by treating it in an original and stimulating manner This book tells the other side of the story Philip Auslander author of Performing Glam Rock Gender and Theatricality in Popular Music While there are a number of histories of punk and metal and numerous biographies of important bands within each genre there is no comparable book to This Ain't the Summer of Love The ultimate contribution the book makes is to provoke the reader into rethinking the ongoing fluid relationship between punk a music that enjoyed considerable critical support and metal a music that has been systematically denigrated by critics This book is the product of superior scholarship it truly breaks fresh

I Love the 80s Megan Crane,2014-05-04 Live in the now they say but for Jenna Jenkins the now sucks Her fianc dumped her and she s lacking the drive that might lead to a promotion at the eighties themed cable station where she works The only thing keeping her sane is her obsession with a brooding rock star and an era that died twenty odd years ago But then lightning strikes literally and sends her back to the year and the man she s loved her entire life Jenna has no choice but to take action to save Tommy Seer lead singer of The Wild Boys from the tragic accident that only she knows will claim his life But the real Tommy Seer is very different from the one who s spent all this time starring in her favorite fantasies As Jenna falls deeper into Tommy s world under his spell all over again only this time without the schoolgirl crush she realizes that his death was no accident Can she find a killer prevent a murder and save the man she loves without everyone thinking she s crazy And who thought shoulder pads were a good idea anyway Unadorned in Love, in Bed, or Bedding Yang

Wall,2015-09-01 From one of rock s greatest writers Love Becomes a Funeral Pyre is the definitive biography of the Doors Spanning the entire history of the band from the birth of its members to the deaths of those who have departed this book will long remain the definitive history of a band that changed the history of popular music The band that started out as the American Rolling Stones noted for their wildly unpredictable performances their jazzy vibe and the crazed monologues of their front man ended as badly as did the 60s abruptly bloodily crippling Along with evoking the cultural milieu of Los Angeles in the era bestselling writer Mick Wall captures the true spirit of that tarnished age From the release of their classic

first album The Doors to their last with Jim Morrison L A Woman this band biography is a brilliantly penetrating and contemporary investigation into the real story of the Doors **SPIN** ,1985-10 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks **Screenwriters** José Guilherme

Correa,2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence pedophilia etc We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script As a former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited **Real Vampires Have More to Love** Gerry Bartlett,2010-12-07 Read Gerry Bartlett s
