What Made Me Who I Am Bernie Swain, 2016-09-06 Starting a business is a wonderfully naive venture Only a fortunate few will survive and very few of those who thrive will have something special to say about failure success and leadership Bernie Swain is one of those few very fortunate people He quit his job in 1980 to start a lecture agency with his wife and a friend By the end of their first rocky year just as his savings were running out Swain s first

revenues trickled in He began signing every speaker with a handshake this proved to be the hallmark of trust that helped accelerate the company's growth Years later his roster of speakers would be the greatest in history since America's first agency represented a host of notables such as Mark Twain Susan B Anthony and Frederick Douglass The best of Swain's fortunes turned out to be the speakers themselves because these remarkable leaders had become his personal friends What Made Me Who I Am captures the leadership transformations of 34 of those friends from Doris Kearns Goodwin to Colin Powell Terry Bradshaw to Tom Brokaw and Tony Blair to Dave Barry This assembly of people defines a generation What were their most powerful influences Defining moments Decisions that contributed the most to their character and accomplishments Swain captures answers to these questions and more in an inspiring practical collection of true life stories for leaders today What Made Me Who I Am is also a terrific gift book for graduates and others who are just starting out in life
