John M. Ross

Tonic Solfa Of The National Anthem:

The National Anthem of South Africa Ludumo Magangane, 2016-02-05 The book looks at the two components that make up the National Anthem of South Africa the hymn Nkosi Sikeleli Afrika by E Sontonga the poem Die Stem van Suid Afrika The Call of South Africa by C J Langehoven and how Die Stem was set to music by Rev L de Villiers The book introduces the Xhosa composer Enoch Sontonga how and when he composed the hymn Nkosi Sikeleli Afrika It then looks at the use of this hymn the effect it had on the black people and how it ultimately captured the imagination of the African National Congress The book then looks at the metamorphosis of the hymn also highlighting how it crossed the borders of South Africa The reader is then introduced to the Afrikaans poem Die Stem van Suid Afrika The Call of South Africa by C J Langehoven The book then traces how this poem also caught the imagination of the Afrikaaner nation its setting to music and how it ultimately became the national anthem of White South Africa Finally the reader gets to see how politics shaped the routes that these two compositions took to ultimately be fused together to the National Anthem of South Africa

Information John M. Ross, 1879 Teacher in Zimbabwe, 1993 *The World of South African Music* Christine Lucia, 2009-03-26 The present Reader is a selection of texts on South African music which are chosen not only for their importance or the frequency of citations but with the express purpose of providing the reader with a deep understanding of the music itself Consequently there are readings that are chosen because they have been influential but there are also many which though published have not enjoyed very wide circulation There are those which are of obvious historic interest and others which speak to contemporary issues Among other things the volume provides an excellent sense of the varying ideologies and approaches that determine the relationship between author and subject The reader is indispensable to scholars and enthusiasts of South African music and it is of great interest to ethnomusicologists more generally It is also an excellent resource for those who do not have immediate access to harder to find articles and is perhaps most vital to those who are looking to find a way into the world of South African music *The Jewish Year Book*, 1897 **A Century of South African Theatre** Loren Kruger, 2019-11-28 Theatre is not part of our vocabulary Sipho Sepamla's provocation in 1981 the

year of famous anti apartheid play Woza Albert prompts the response yes indeed it is A Century of South African Theatre demonstrates the impact of theatre and other performances pageants concerts sketches workshops and performance art over the last hundred years Its coverage includes African responses to pro British pageants celebrating white Union in 1910 such as the Emancipation Centenary of the abolition of British colonial slavery in 1934 organized by Griffiths Motsieloa and HIE Dhlomo through anti apartheid testimonial theatre by Athol Fugard Maishe Maponya Gcina Mhlophe and many others right up to the present dramatization of state capture inequality and state violence in today s unevenly democratic society where government has promised much but delivered little Building on Loren Kruger s personal observations of forty years as well as her published research A Century of South African Theatre provides theoretical coordinates from institution to public sphere to syncretism in performance in order to highlight South Africa s changing engagement with the world from the days of Empire through the apartheid era to the multi lateral and multi lingual networks of the 21st century The final chapters use the Constitution s injunction to improve wellbeing as a prompt to examine the dramaturgy of new problems especially AIDS and domestic violence as well as the better known performances in and around the Truth and Reconciliation Commission Kruger critically evaluates internationally known theatre makers including the signature collaborations between animator designer William Kentridge and Handspring Puppet Company and highlights the local and transnational impact of major post apartheid companies such as Magnet Theatre
