Provided by publisher **Intercultural Communication** Ingrid Piller, 2017-06-27 Combining perspectives from discourse analysis and sociolinguistics the second edition of this popular textbook provides students with an up to date overview of the field of intercultural communication Ingrid Piller explains communication in context using two main approaches The first treats cultural identity difference and similarity as discursive constructions The second informed by bilingualism studies highlights the use and prestige of different languages and language varieties as well as the varying access that speakers have to them *Emerging Infectious Diseases*, 2018-07 Strife and Progress Paul T. Hill, 2013 Deficient urban schooling remains one of America s most pressing and stubborn public policy problems This important new book details and evaluates a radical and promising new approach to K 12 education reform Strife and Progress explains for a broad audience the portfolio strategy for providing urban education its rationale implementation and results Under the portfolio strategy cities use anything that works indifferent to whether schools are run by the public district or private entities It combines traditional modes of schooling with newer methods including chartering and experimentation with schools making innovative use of people and technology Urban districts try to make themselves magnets for new talent recruiting educators and career switchers looking to make a difference for poor children The portfolio strategy creates interesting new bedfellows people who think that government should oversee public education align with those advocating choice competition and entrepreneurship It cuts across political lines and engages city governments and civic assets e g philanthropies businesses universities much more deeply than earlier reform initiatives New York and New Orleans were portfolio pioneers but the idea has spread rapidly to cities as far flung as Los Angeles Denver and Chicago Results have been mixed overall but generally positive in places that implemented the strategy most aggressively Reform leaders such as New York s Joel Klein have been overly optimistic however assuming that the strategy s merits would be so obvious that careful assessment would be unnecessary Serious policy evaluation is still needed **Proceedings of the 3rd International Conference on Social Science, Humanity and Public Health, ICoSHIP 2022, 05-06 November 2022, Banyuwangi, East Java, Indonesia** Alfi Hidayatu Miqawati, Adriadi Novawan, Fitri Wijayanti, Dewi Kurniawati, 2023-01-13 The conference proceedings provided a setting for discussing recent development in a wide variety of topics and areas including social science and humanities The theme of the 3rd International Conference on Social Science Humanity and Public Health ICoSHIP 2022 was Recover Together Recover Stronger Increasing Resiliency and Stability in The Fields of Social Sciences Humanities and Public Health All of the papers have been checked through rigorous reviews and processes to meet the requirements of the publication and maintain the quality **Ghosts of the Somme** Jonathan Evershed, 2018-05-30 Once assumed to be a driver or even cause of conflict commemoration during Ireland s Decade of Centenaries came to occupy a central place in peacebuilding efforts The inclusive and cross communal reorientation of commemoration particularly of the First World War has been widely heralded

as signifying new forms of reconciliation and a greater maturity in relationships between Ireland and the UK and between Unionists and Nationalists in Northern Ireland In this study Jonathan Evershed interrogates the particular and implicitly political claims about the nature of history memory and commemoration that define and sustain these assertions and explores some of the hidden and countervailing transcripts that underwrite and disrupt them Drawing on two years of ethnographic fieldwork conducted in Belfast Evershed explores Ulster Loyalist commemoration of the Battle of the Somme its conflicted politics and its confrontation with official commemorative discourse and practice during the Decade of Centenaries He investigates how and why the myriad social political cultural and economic changes that have defined postconflict Northern Ireland have been experienced by Loyalists as a culture war and how commemoration is the means by which they confront and challenge the perceived erosion of their identity He reveals the ways in which this brings Loyalists into conflict not only with the politics of Irish Nationalism but with the peacebuilding state and crucially with each other He demonstrates how commemoration works to reproduce the intracommunal conflicts that it claims to have overcome and interrogates its nuanced and perhaps counterintuitive function in conflict transformation *Senate Journal* Wisconsin. Legislature. Senate,2014 *Sport Development in the United States* Peter Smolianov,Dwight Zakus,Joseph Gallo,2014-09-15 The development of both elite high performance sport and mass participation grassroots level sport are central concerns for governments and sports governing bodies This important new study is the first to closely examine the challenges and opportunities for sports development in the United States a global sporting giant with a unique market driven sporting landscape Presenting an innovative model of integrated sports development the book explores the inter relationship between elite and mass sport across history drawing on comparative international examples from Australia to the former USSR and Eastern bloc countries At the heart of the book is an in depth empirical study of three traditional and emerging sports in the US tennis soccer and rugby that offer important lessons on the development of elite sport methods for increasing participation and the establishment of new sports in new markets No other book has attempted to model sports development in the United States in such depth before Therefore this should be essential reading for all students researchers administrators or policy makers with an interest in sports development sports management sports policy or comparative international sport studies *Economic Development in the Middle East* Rodney Wilson,2013 By examining economic development in the Middle East in the aftermath of the Arab Spring this textbook introduces undergraduate and postgraduate students to the most pressing and topical economic issues in the contemporary Middle East With comprehensive coverage of the entire region the author examines the economic prospects for the Gulf and charts the growth of economic power in the region Organised thematically a full range of topics are discussed including the role of banks and capital markets in the region s development the impact of demographic changes such as the dramatic decline in birth rates and the implications for future employment the development of economic advances in oil and gas production the effects of
