Greenwood,1990 International Law Reports is the only publication in the world wholly devoted to the regular and systematic reporting in English of courts and arbitrators as well as judgements of national courts Budget Memorandum Maharashtra (India),1983 **Guide to RBI Grade B Officers Phase I Exam 2020 - 4th Edition** Disha Experts,2020-07-15 **How the New Deal Built Florida Tourism** David J. Nelson,2019-04-11 Florida Historical Society Rembert Patrick Award Florida Book Awards Silver Medal for Florida Nonfiction Countering the conventional narrative that Florida s tourism industry suffered during the Great Depression this book shows that the 1930s were in reality the starting point for much that characterizes modern Florida s tourism David Nelson argues that state and federal government programs designed to reboot the economy during this decade are crucial to understanding the state today Nelson examines the impact of three connected initiatives the federal New Deal its Civilian Conservation Corps program CCC and the CCC s creation of the Florida Park Service He reveals that the CCC designed state parks to reinforce the popular image of Florida as a tropical exotic and safe paradise The CCC often removed native flora and fauna introduced exotic species and created artificial landscapes that were then presented as natural Nelson discusses how Florida business leaders benefitted from federally funded development and the ways residents and business owners rejected

or supported the commercialization and shifting cultural identity of their state A detailed look at a unique era in which the state government sponsored the tourism industry helped commodify natural resources and boosted mythical ideas of the Real Florida that endure today this book makes the case that the creation of the Florida Park Service is the story of modern Florida

Rethinking Hospitality and Tourism Education Marcela Fang, Kim Williams, Alison Morrison, Tracy Harkison, 2024-12-19 This book offers empirical research case studies and examples of best practice that address cutting edge and contemporary higher education issues It aims to inspire hospitality and tourism educators and scholars to embrace transformative learning approaches that promote student centred learning in times of rapid change The chapters explore transformative learning practices in hospitality and tourism education while disclosing innovative and transformative approaches to teaching and learning that respond to the changing needs and demands of both students and industry The book advances the ongoing discussions and innovations in hospitality and tourism education and informs current and future research and practice Its focus on digital technology and a range of innovative pedagogy for teaching and learning methods provides a practical engaging and essential toolkit for teachers and learners Chapter 16 is free to download as an open access publication under a CC BY licence You can download it here <https://zenodo.org/records/14604731>

Gender and Tourism Sustainability Claudia Eger, Ana María Munar, Cathy H.C. Hsu, 2023-03-21 This book examines the relationship between gender and sustainability in tourism Whilst an extensive body of work exists in the areas of gender and sustainability these two fields of knowledge are seldom combined to examine tourism phenomena When we look at the evolution of tourism we see that sustainability has become an essential element in educational programmes policy making and strategic considerations for organisations and destinations Whilst the beginnings of tourism sustainability were challenging presently its relevance is seldom questioned However this situation is not the case with gender research Although gender theorising and research have existed for over a century and a rich legacy of knowledge exists on this topic meaningful and respectful engagement with this line of scholarship is thus far peripheral in tourism studies The aim of this book is to reflect on and rethink the intersection of gender and tourism sustainability through the lens of gender theory and feminist epistemology to stay with the trouble and devise pathways for sustainability gender knowledge This book will be of great interest to students researchers and academics in tourism gender and sustainability as well as tourism management The chapters in this book were originally published as a special issue of the Journal of Sustainable Tourism

X-Kit FET Grade 10 Geography Anthea Manson, Glennis Ravenscroft, 2006 *Republic of Kosovo* International Monetary Fund. European Dept., 2015-07-31 EXECUTIVE SUMMARY Key issues Kosovo faces the dual challenge of maintaining fiscal credibility and debt sustainability while shifting its growth model from one driven by remittances and consumption to one driven by investment and the tradable sector This requires fiscal consolidation over the next two years that deflates unproductive current spending while increasing space for critical public investment and donor financed capital projects It

also requires steps to further preserve financial stability improve competitiveness remove structural impediments to bank lending and reduce corruption Stand By Arrangement SBA The authorities have requested a 22 month SDR 147 5 million 250 percent of quota SBA An initial purchase of SDR 28 1 million would become available upon approval of this request The program will seek to preserve low debt and financial stability and rebuild government bank balances while creating conditions for more dynamic and better balanced growth Specifically policies would aim at Strengthening public finances through fiscal consolidation with the deficit path within the fiscal rule s limits This will be supported by steps to improve budget composition and deflate unproductive current spending Capital expenditure will be protected and even enhanced through the modification of the investment clause under the fiscal rule A new debt limit will ensure that debt remains sustainable Advancing financial sector reforms related to emergency liquidity assistance and risk based supervision to bolster financial sector stability Raising Kosovo s long term growth prospects Reforms will include the introduction of a public wage bill to boost competitiveness a new public procurement process to improve the business environment and steps to catalyze donor project financing related to Kosovo s large development needs
