

## Shreddage 3 Abyss Product Manual

An Impact Soundworks Instrument for Kontakt Player 5.7+

### Introduction

---

**Shreddage 3 Abyss** is the evolution of our custom six-string bass library *Shreddage Bass 2*, taking the complete set of over 10,000 recordings and placing them in our cutting-edge S3 engine. Featuring the sound of a one-of-a-kind, custom Muckelroy electric bass, **Shreddage 3 Abyss** is a super versatile instrument that starts at a floor-shaking drop G and extends up four and a half octaves. Now you can enjoy these incredible samples with even better performance playback, strumming, articulation mapping, and tone options!

This instrument was performed by master bassist, composer, and session musician Tony Dickinson, who brought his massive experience and skill to recording the library from both the perspective of a performer and a producer. To capture the most pristine and well-rounded DI tone possible, we used a Universal Audio Solo/610 analog tube pre for maximum fatness, punch, and warmth. Each string was recorded in exhaustive detail across every fret at multiple dynamics, with up to 8x round robin (RR) variations per note.

Now, with the included **Console** FX rack and mixer, you don't even need external plugins to mix and process the instrument; just choose from our dozens of included presets and you're ready to shred. Every articulation can be mapped or triggered however you want using Total Articulation Control Technology 2.0 (TACT). There are more ways to **tweak** and **play** these articulations than ever: dynamic layer and mute level adjustments, per-articulation velocity to volume, Strum Mode, and much more.

Welcome to the next generation of virtual bass instruments!

**Sound Studio** Alec Nisbett, 2003-07-07 This classic work has inspired and informed a whole generation of artists and technicians working in all branches of the audio industry. Now in its seventh edition The Sound

Studio has been thoroughly revised to encompass the rapidly expanding range of possibilities offered by today's digital equipment. It now covers the virtual studio, 5.1 surround sound, hard drive mixers and multichannel recorders, DVD and CD-RW. Alec Nisbett provides encyclopaedic coverage of everything from acoustics, microphones and loudspeakers to editing, mixing and sound effects as well as a comprehensive glossary. Through its six previous editions, *The Sound Studio* has been used for over 40 years as a standard work of reference on audio techniques. For a new generation, it links all the best techniques back to their roots, the unchanging guiding principles that have long been observed over a wide range of related media and crafts. *The Sound Studio* is intended for anyone with a creative or technical interest in sound for radio, television, film and music recording, but has particularly strong coverage of audio in broadcasting, reflecting the author's prolific career.

**35 Video Podcasting Careers & Businesses to Start** Anne Hart, 2005-12-05. Launch your career or business in video podcasting. Are you looking for a job in video podcasting? Anyone with a digital video camcorder, microphone, computer and some technical savvy can launch an Internet video podcast show to inform, direct or enlighten. You can offer foresight, insight or hindsight. Open a business or find a job creating and delivering digital video recordings, usually free as podcasts. If you want to make money with video podcasting, offer to sell a sponsor's publicity and advertising on your video, or an author's creative works, interviews or sermons. You can even show people how to fill out tax forms using a video podcast for instruction on most any subject; people can learn independently. People who subscribe to video podcasts usually want to view for free. You can charge for a course to train or teach a class by video lecture and/or demonstration, but what if you want an actual paid job in video podcasting? And can you make more money in video than in the older audio MP3 file radio podcasting? Careers in video podcasting are beginning to bloom, as seen by a variety of podcasting associations, news publications and career information. Even job listings unrelated to podcasting are broadcast by RSS feeds. Create your own job in podcasting by showing others how to find new trends and applications in their careers. Make informational how-to and

motivational video podcasts What if you want to use video podcasting to actually get hired Are there jobs right now in video podcasting Or is the field still primarily for trade publication publishers syndicators and video entrepreneurs on the Web
