The Saltwater Wilderness Glenn S. Vanstrum, 2003. This book plunges the reader into the heart of the sea. It is an elegantly written account of one photojournalist's experience studying marine natural history and ecology. Illustrated with classic black and white photography and annotated with references to classic marine literature, this book takes the reader from California to New Guinea, Fiji, Palau, and Tonga to the Caribbean to Alaska and back again. Along the way, a quest to shed light on marine limits, symbiosis, and biogeography ties the adventures together. It will appeal to anyone who snorkels, swims, scuba dives, surfs, studies marine biology, or loves the sea. Essentials of Oceanography Tom Garrison, 2011-08-31. *NEW*. An eCompanion is now available to accompany the eBook for *ESSENTIALS OF OCEANOGRAPHY*, Sixth Edition. Students can carry this light weight manual to class and use it to help synthesize their understanding of key concepts from the text. Features include: Main Ideas, chapter summaries, Terms and Concepts to Remember, an interactive Concept Check section, review questions, and space for note taking. A comprehensive study tool, the eCompanion assists in exam preparation, allows students to follow along in class without the printed book or computer, and reinforces the concepts presented in the text.

Biology Cecie Starr, 1994. This streamlined book distills biology's key concepts and connects them to the lives of students.

with numerous timely applications including compelling new vignettes at the beginning of each chapter Once again Starr created new remarkably clear illustrations to help explain complex biological concepts As with every new edition she continues to simplify and enliven the writing without sacrificing accuracy The author has done a major revision of each chapter so that there is extensive updating and organizational changes to enhance the text s flow As the following features indicate the major thrust of the new edition is to enhance accessibility and further stimulate student interest
