Too Close To Touch English Edition:

The Editor, 1904 **Tudor Geography** E. G. R. Taylor, 2024-01-01 First published in 1930 Tudor Geography discusses the men and the geographical concepts that enabled world famous voyages by the British with the aim of circumventing Spanish and Portuguese monopoly of the direct routes to the Spice Islands The book throws light on a new facet of a fateful century during which Englishmen of all ranks were forced gradually by circumstances to think geographically as they had never done before This book will be of interest to students of history and geography *American Primary Teacher*, 1897
Parliamentary Debates New Zealand. Parliament, 1931 **The Department of State Bulletin**, 1989 Friends' Intelligencer, 1923 **Holland at War Against Hitler** M. R. D. Foot, 2012-10-12 First Published in 1990 The conference on Anglo Dutch relations from 1940 to 1945 held at University College London on 3 4 and 5 April 1989 covered a part not the least interesting nor the simplest part of the diplomatic and military history of the world war against Nazi Germany and imperial Japan The historical context of Anglo Dutch relations close since the fall of the Roman Empire bears setting out at the start The papers that follow are printed almost as they were delivered at a conference attended by a mixture of scholars teachers diplomats journalists students and retired warriors of ages as diverse as their experiences many of whom already knew each other Foreign Policy of Canning Ch H.W.V. Temperley, 2013-10-28 First published in 1966 The history of a foreign policy is not the same thing as the biography of a Foreign Minister The former aims at showing what a foreign policy was the latter at what a Foreign Minister was The latter is pure biography while this book aims at placing the individual in his proper relation to other diplomatic personalities and to events The book shows in general a hearty approval of the spirit of nationality and Temperley writes with patriotic fervour when he defends the British attack on Copenhagen during Canning's first career as a Foreign Minister in 1807 and this fervour is expanded in this research work *Departments of State, Justice, Commerce, and the Judiciary Appropriation Bill for 1950, Hearings Before the Subcommittee of ...*, 81-1 on H.R. 4016 United States.
