

America's Best Customer Service 2019

Companies in the United States awarded the highest scores in the following categories

Cruise Operators

Supermarkets

Upscale Hotel Chains (4 to 5 stars)

Commercial Banks

Perfume and Cosmetics (Online)

The survey consisted of 20,000 consumers. Companies were scored out of 10, which was calculated based on the Net Promoter Score* and performance in 5 criteria: quality of communication, technical competence, range of services, customer focus and accessibility. The 5 categories with the highest scores on average are shown here.

* Net Promoter, NPS and Net Promoter Score are registered trademarks of Satmetrix Systems, Inc., Bain & Company and Fred Reichheld.

Top Customer Service Companies 2009

KJ Lindholm-Leary

Top Customer Service Companies 2009:

What's Your Customer's Problem? Fred Wiersema, 2010-02-01 Business strategist and New York Times bestselling author Fred Wiersema presents his latest insights and advice on achieving customer intimacy in a series of new practical digital only guides This one focuses on the critical importance of identifying your customers true problem Changes are it s not what you or they think But it s vital if you want to keep customers coming back especially in these tough economic times It was a rotting old fence around my swimming pool that drove home the power of deeply analyzing customer problems I thought a traditional white picket fence would be perfect to replace it The first two contractors made their measurements discussed the materials calculated and gave me prices But the third surprised me Why do you want a white fence Have you ever thought about black He explained that a black fence would blend into the background making the surrounding area more visible while a white fence would make the pool area more intimate and enclosed My wife and I had never thought about that Next he asked why we were replacing the old fence I thought it was obvious It was falling apart and needed to be repainted every few years Have you considered an anodized aluminum fence It would last pretty much forever he said That clinched the deal He d offered a better answer for needs we didn t even realize we had

What Great Service Leaders Know and Do James L. Heskett, W. Earl Sasser, W. Earl Sasser Jr., Leonard A. Schlesinger, 2015-09 In this book the authors cover every aspect of optimal service leadership the best hiring training and workplace organization practices the creation of operating strategies around areas such as facility design capacity planning queue management and more the use and misuse of technology in delivering top level service and practices that can transform loyal customers into owners They describe the world of great service leaders in which both and thinking replaces trade offs It s a world in which new ideas will be tested against the sine qua non of the service trifecta Wins for employees customers and investors And it s a world in which the best leaders admit that they don t have the answers and create organizations that learn innovate sense and respond operate with fluid boundaries and seek and achieve repeated strategic success

Customer Service for Hospitality and Tourism Simon Hudson, Louise Hudson, 2012-11-02 Customer service is of critical importance for the tourism and hospitality sector now more than ever before as customers are looking to increase

value for money and are less forgiving of mediocre service However despite its importance quality customer service is the exception rather than the norm in many parts of the world Customer Service for Hospitality and Tourism is a unique text and vital to both students and practitioners as it explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice In essence it is the whys and hows of customer service It is easy to read very current and full of references to all the latest research from both academic and practitioner literature Chapters cover important topics such as the financial and behavioural consequences of customer service consumer trends influencing service developing and maintaining a service culture managing service encounters the importance of market research building and maintaining customer relationships providing customer service through the servicescape the impact of technology on customer service the importance of service recovery and promoting customer service internally and externally Key features include An At Your Service Spotlight at the beginning of each chapter focuses on the achievements of successful individuals related to the art of customer service Each chapter contains a Service Snapshot short real life cases to illustrate a particular concept or theoretical principle presented in the chapter Detailed international Case Studies which cover a variety of sectors organizations and regions designed to foster critical thinking the cases illustrate actual business scenarios that stress several concepts found in the chapter They analyze customer service in the U S South America South Africa Europe Russia Australia China Canada Korea and Dubai

Looking Beyond the Runway Professor Nawal K Taneja, 2012-10-01 The global airline industry facing significant changes and discontinuity is prompted and forced to deal with a new normal Who would have imagined a few years ago that a significant percentage of consumers in the US now prefer to fly low cost airlines instead of full service airlines because they perceive the product to be better airlines would generate up to a third of their total income from non ticket revenue many low cost airlines would add complexity to their original simple business models through the development of code share agreements the use of global distribution systems and travel agents to distribute their seats Jetstar a low cost subsidiary of Qantas would grow faster and be more profitable than its parent a survey carried out by Ryanair would show that 42 percent of passengers would be willing to stand on short one hour flights if they could pay 50 percent less than seated passengers passengers could pay as little as US 2 000 for a transatlantic Business Class ticket on top brand airlines Lufthansa would have ownership in airlines based in Austria Belgium Italy Switzerland Turkey the UK and the US and that it would continue to pursue equity ownership in airlines based in Poland and Scandinavia or the Japanese and Canadian governments would struggle to find different ways to bail out their heretofore flag carriers To deal with this upcoming new normal airlines have to go beyond their short term circumstantial strategies they need strategic renewal of their ageing business model In this candidly written book Nawal Taneja explains what will separate the winners from the losers He maintains the leaders will be the airlines that 1 exploit this crisis driven change to their best advantage 2 learn to work around the airline inherent constraints that prevent them from running their businesses just like other businesses 3 learn from successes and failures of other global enterprises 4 sharpen their business intelligence analytics and strategic agility and 5 proactively explore the pockets of growth in this emerging markets century To help airline executives become informed of new competitive games the author analyzes numerous business sectors such as auto hospitality retail technology and entertainment For example relevant lessons can be learned from the strategic mistakes made by the US automakers Likewise emergent and compelling insights can be gained in superior customer experience from Ritz Carlton and Zappos and in value creating innovation from Cirque du Soleil and Zipcar The book also features a multitude of forewords from airlines and related businesses to provide readers with multiple perspectives on the changing landscape in the global airline industry Nawal Taneja is a career analyst of the global airline industry with wide ranging experience in the aviation industry academia and public policy Encouraged by industry executives he has written five other books for practitioners in the global airline industry including FASTEN YOUR SEATBELT The Passenger is Flying the Plane and Flying Ahead of the Airplane

Decision Making in Educational

Leadership Stephanie Chitpin, Colin W. Evers, 2014-06-05 The increased focus on raising standards in education requires leaders to engage in complex decision making about teacher assessment mandated accountability measures and the collection and use of large amounts of data Showcasing exemplary practices of school and district administrators Decision Making in Educational Leadership covers issues concerning the role of emotion ethical and legal ramifications the use of data and complexity in decision making Chapter authors in this research based volume explore what administrators and school leaders actually know about educational problems how they draw upon and revise theories of action for responding to problems and which theories are tenable in educational decision making This important resource provides a broad and international perspective on effective models and methods of educational decision making and shares valuable knowledge about how theory can be translated into practice in a variety of school settings *Superior Customer Value* Art Weinstein, D. Hank Ellison, 2012-02-24 A customer centric culture provides focus and direction for the organization ensuring that exceptional value will be offered to customers this in turn results in enhanced market performance Unfortunately caught up in the daily economic and competitive pressures of running complex and fast changing businesses managers may lose sight of custo

The Sociology of Work Keith Grint, Darren Nixon, 2025-09-04 The Sociology of Work 4th Edition This leading authoritative textbook has been carefully and substantially revised to provide the indispensable foundational resource for the sociology of work The fourth edition has been transformed to combine unrivalled explanations of classic theories with the most cutting edge research data and debates Keith Grint and Darren Nixon examine different sociological approaches to work emphasizing the links between social processes institutions of employment and their social and domestic contexts The fourth edition includes a new chapter on work and identity exploring issues such as the rise of consumption and the cultural economy work life balance the social meaning of work and unemployment a fully rewritten chapter that comprehensively reviews trends in the contemporary service economy particularly the rise of emotional and aesthetic forms of labour and the polarization of employment in the knowledge or informational economy a new concluding chapter that examines the structure of the global economy taking in debates around globalization precarious labour and public sector reforms and unemployment in the wake of the financial crisis and austerity updated bibliographic references and data throughout with particularly significant revisions to the sections on gender and work ethnicity and work and work technologies The book has been designed to support readers understanding of and to develop their critical approach to the field of work with a range of empirical evidence and examples helping to reveal the complex picture of work society relations Written in a lively and accessible style the book also provides suggestions for further reading and seminar discussion questions This fourth edition will continue to be essential reading for students of the sociology of work industrial sociology organizational behaviour and industrial relations Students studying business and management courses with a sociological component will also find the book invaluable

Handbook of Human Factors in Web Design Kim-Phuong L. Vu, Robert W. Proctor, 2011-04-25 The

Handbook of Human Factors in Web Design covers basic human factors issues relating to screen design input devices and information organization and processing as well as addresses newer features which will become prominent in the next generation of Web technologies These include multimodal interfaces wireless capabilities and agents t

International Trade in Services Olivier Cattaneo, Michael Engman, Sebastian Sez, Robert M. Stern, 2010-06-24 The services sector is key to economic growth competitiveness and poverty alleviation Comprising more than two thirds of the world economy services are now commonly traded across borders helped by technological progress and the increased mobility of persons In recent years a number of developing countries have looked at trade in services as a means to both respond to domestic supply shortages and to diversify and boost exports Any country can tap into the trade potential of services but not every country can become a services hub across sectors The opening of the services sector potentially comes with large benefits but also fears and costs that should not be overlooked This book provides useful guidelines for the assessment of a country's trade potential and a roadmap for successful opening and export promotion in select services sectors It looks at both the effects of increased imports and exports and provides concrete examples of developing country approaches that have either succeeded or failed to maximize the benefits and minimize the risks of opening It focuses on sectors that have been rarely analyzed through the trade lens and or have a fast growing trade potential for developing countries These sectors are accounting construction distribution engineering environmental health information technology and legal services This book is designed for non trade specialists to understand how trade can help improve access to key services in developing countries and for trade specialists to understand the specific characteristics of each individual sector It will be a useful tool for governments to design successful trade opening or promotion strategies and for the private sector and consumers to advocate sound domestic policy reforms accompanying an offensive trade agenda

Top Customer Service Companies 2009 Introduction

In today's digital age, the availability of Top Customer Service Companies 2009 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Top Customer Service Companies 2009 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Top Customer Service Companies 2009 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Top Customer Service Companies 2009 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Top Customer Service Companies 2009 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Top Customer Service Companies 2009 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent

resource for literature enthusiasts. Another popular platform for Top Customer Service Companies 2009 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Top Customer Service Companies 2009 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Top Customer Service Companies 2009 books and manuals for download and embark on your journey of knowledge?
