Tamtik,Roopa Desai Trilokekar,Glen A. Jones,2020-10-07 In the early twenty first century international education emerged as an almost ubiquitous concept within discussions of educational curriculum the objectives of schools universities and colleges and government policies for K 12 and higher education Although far from a new phenomenon many jurisdictions now view international education as a highly competitive global industry This book provides a comprehensive analysis of international education policy in Canada tracing the complex history of when how and why it emerged as a policy area of strategic importance Illuminating a uniquely Canadian perspective influenced by regional interests and federal provincial tensions International Education as Public Policy in Canada addresses challenging questions Why was Canada a latecomer in addressing this policy issue What is the relationship between international education and Canadian immigration policy How did international education develop as a major Canadian industry The resulting essays from leading scholars contribute not only to the growing Canadian literature on international education policy but also to a critical global conversation Contemplating where the Canadian story of international education is headed International Education as Public Policy in Canada calls for a broader debate on ethical practices in internationalization focusing on inclusion equity compassion and reciprocity **Parliamentary Debates** India. Parliament. Rajya Sabha,1998 **Provisional Guidelines on Statistics of International Tourism** United Nations. Statistical Office,1978 **Neighborhood Branding, Identity and Tourism** Staci M. Zavattaro,2019-03-11 This book delves into neighborhood branding by looking at the City of Orlando and the identities that set each neighborhood apart from others Orlando is an international tourism capital known for its abundant theme parks that allow for an escape from reality The word Orlando is almost synonymous with Disney and Mickey Mouse and for good reason This place s brand identity is so strong that outsiders have trouble realizing locals often have a drastically different view of the city But what else is there What other brand identities does the place have The stories from this case study highlight how local stakeholders play a vital role in the success of an overall place brand while also taking steps to maintain their own unique neighborhood vibes This book will be valuable to academics and students interested in neighborhood branding and shaping identity from the perspective of tourism geography and urban studies **Policy and Supporting Positions** ,1988 **United States Government Policy and Supporting Positions** ,1988 *Planning for Tourism* Nigel D Morpeth,Hongliang Yan,2015-05-01 This text provides an innovative approach to the pedagogy of contemporary planning processes within different cultural contexts globally It adopts an innovative multi disciplinary social science approach and through the inclusion of international case studies considers the extent to which intelligent design has enabled the needs of disabled residents and visitors to have universal access to social spaces and facilities In incorporating the consideration into the fabric of the book it will encourage the mainstreaming of universal design and accessible tourism as keystones of planning processes within the C21st Global Climate Change and Coastal Tourism Andrew L Jones,Michael Phillips,2017-11-29 Building upon the book Disappearing Destinations Jones and Phillips 2010 and its conclusion that

promoted the need to recognize problems meet expectations and manage solutions Global Climate Change and Coastal Tourism explores current threats to and consequences of climate change on existing tourism coastal destinations Part 1 of the book provides a theoretical platform and addresses topics such as sustainability tourism impacts governance trade and innovation and how the media addresses climate change and tourism It also assesses management and policy options for the future sustainability of threatened tourism coastal destinations Part 2 presents case studies from all regions of the world Europe The Americas Asia Africa and Australasia which synthesise findings to make recommendations that can be used to promote strategies that ameliorate projected impacts of climate change on coastal tourism infrastructure and in turn promote the future sustainability of coastal tourism destinations This is a timely and informative text with appeal to researchers undergraduate and post graduate students of tourism management tourism planning sustainable tourism development and leisure management coastal tourism management environmental management planning geography coastal zone management or climate change studies Reconstructing Resilient Communities after the Wenchuan Earthquake
