Arturo Cuomo

Tourism September 2013 Memorandum Limpopo:

The Changing Face of Land and Conservation in Post-colonial Africa George Barrett, Shirley Brooks, Jenny Josefsson, Ngobele Zulu, 2016-03-22 The year 2013 marked the 100th anniversary of the 1913 Land Act in South Africa which legalised the violent dispossession and alienation of the African majority from the land. It is common cause that the alienation of land for conservation purposes introduced to Africa under colonial rule has continued more or less uninterrupted until today. However, while nature conservation practices inevitably raise challenging questions relating to land and land use, there has thus far been little concentrated effort to bring together scholars working on the land question, particularly around issues of land tenure with those whose work focuses on questions of nature construction and the social impacts of conservation in an African context. Compiled from research presented at a ground breaking interdisciplinary conference held at Rhodes University in Grahamstown, South Africa in 2012, the chapters in this book made their first appearance in a special issue of the *Journal of Contemporary African Studies* (JCAS) in July 2013. The book brings critical interdisciplinary analyses of the complex interrelations between contemporary neoliberal conservation practices in post colonial Africa into conversation with the well trodden territory of land use and contested land issues on the continent. Anchored by an intellectual curiosity about the extent to which past practices continue into the present and with what consequences, the book provides fresh insights into the complex relationship between land and conservation in contemporary Africa. SADC Gender Protocol 2014 Barometer Morna, Colleen Lowe, Dube, Sifiso, 2014-10-25 In August 2008, Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development. This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance. By the 2013 Heads of State summit, 13 countries had signed and 12 countries had ratified the SADC Gender Protocol. The Protocol is now in force. With one year to go, time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality. In keeping with the Alliance slogan 'Yes we must', this 2014 Barometer provides a wealth of updated data against which progress will be measured by all those who cherish democracy in the region. The world and SADC are also looking to the future with the post 2015 agenda. Now is the time to strengthen, resolve, reconsider, reposition and re-strategise for 2030. *South Africa Yearbook*, 2006 *Limpopo Tourism Investment Opportunities* Limpopo Tourism and Parks Board (South Africa), 2004 **Tourism and Migration**, 2013
