Tourism, Religion and Pilgrimage in Jerusalem Kobi Cohen-Hattab, Noam Shoval, 2014-08-07 Jerusalem is a city with a singular nature Home to three religions it contains spiritual meaning for people the world over it is at once a tourist destination and a location with a complex political reality Tourism therefore is an integral part of Jerusalem's development and its political conflicts The book traces tourism and pilgrimage to Jerusalem from the late Ottoman era through the British Mandate during the period of the divided city and to the reunification of the city under Israeli rule Throughout the city's evolution is shown to be intertwined with its tourist industry as tourist sites accommodations infrastructure and services transform the city's structures and open spaces At the same time tourism is wielded by various parties in an effort to gain political recognition to bolster territorial control or to garner support The city's future and the role tourism can play in it are examined While the construction of a security fence will have many implications on Jerusalem's tourist industry steps are proposed to minimize the effects of the security fence and optimize tourism Written by leading academics this title will be valuable reading for students academics and researchers in the fields of tourism religious studies geography history cultural studies and anthropology

Management, Tourism and

Smart Technologies Carlos Montenegro,Álvaro Rocha,Juan Manuel Cueva Lovelle,2024-01-03 This book presents advances in the research of various entities in the world which are working on the application of technology or management in tourism. Indeed, one of the sectors hardest hit by the pandemic was tourism; likewise, one of the post-pandemic effects is the rapid recovery of the sector, but more importantly, is the great innovation that has occurred in marketing strategies for tourism using technology and applying management strategies not only to be more profitable but to have the best customer satisfaction. The book is aimed at the general public that seeks to innovate, learn from lessons learned, and establish a knowledge base in mechanisms that apply technology or management in tourism with the aim of improving the experience of all those involved in the business chain. This compendium aims to share all those great experiences and researches in the areas of Management, Tourism Marketing strategies in Management, Tourism and Technology, Technology Applied, Computer Science, Artificial Intelligence, Business Administration, Cloud Computing, Educational Management, Finance, Insurance, and Services Management, Health, Tourism, Human Resource Management, Information Systems, Planning and Management, Information Technologies in Tourism, Internet Technology, Knowledge Management, Management of Supply Chain and Logistics, Marketing Innovation, Robotics, Strategic Management Innovation, Sustainability Management, Technical Economy, Management, Technical Innovation, and Management Technology in Tourism, and Tourist Experience, Tourism Industry, and Ecology, Tourism Management, a total of 77 research projects, and many spaces and relationships between researchers to collaborate in the advancement of science are presented. *An International Handbook of Tourism Education* David Airey, John Tribe, 2006-08-11 As tourism matures as an academic subject and the number of tourism higher education providers continues to expand world-wide, there is an increasing interest in its educational aspects. At the same time, the development of research into education issues related to tourism means that there is now a developing literature on the subject. This international handbook offers a timely evaluation of the state of the art of tourism higher education. The book brings together expert contributors from around the world to present current thinking and practice about what is now a major element of education provision world-wide. It is structured around four key themes: Curriculum, International perspective, Teaching, learning and assessment, Resources, progression and quality. Its global survey of tourism education offers a comprehensive basis for comparative review. In addition to setting out the development and current provision of tourism education, it also addresses cutting-edge issues such as PhD education, non-formal education, cultural issues in learning, research and teaching, e-learning, and e-assessment. It offers practical advice for the design, delivery, evaluation, and resourcing of courses and concludes with a reflective agenda of issues for the future. **Global Tourism Higher Education** Cathy Hsu C.H., 2012-11-12 Get an in-depth understanding of tourism education worldwide. *Global Tourism Higher Education: Past, Present and Future* extensively reviews tourism education on a global basis, focusing on the history, development, current status, challenges, and opportunities now present in various regions and countries.
