Tourism and Gentrification in Contemporary Metropolises Maria Gravari-Barbas, Sandra Guinand, 2017-06-14 Tourism gentrification is a critical shaping force of socio economic and contemporary urban landscapes This book aims to be the first substantive text on this subject explaining the multiple and complex relationships between tourism and gentrification and their outcomes and manifestations in contemporary metropolises This is achieved by drawing on in depth case analyses addressing the different issues at stake Part I deals with the manifestations of tourism gentrification and the ways it affects urban landscapes through heritagization and urban regeneration strategies Part II looks at the correlations between tourism gentrification and culture Finally the last two parts aim to identify and examine forms and expressions of tourism gentrification distinguishing among the actors beneficiaries and victims of the phenomenon while looking at its implications for intra metropolitan territories and metropolitan governance The book approaches these issues in an innovative way by looking at a variety of metropolises in a diverse range of countries and by dealing with the different relations and management issues generated by gentrification in relation to tourism Through interdisciplinary approaches this groundbreaking text sheds light on the role tourism plays in contemporary metropolises furthering knowledge of urban tourism For these reasons it will be of particular interest to scholars and students of tourism urban studies geography anthropology and sociology

War Tourism Bertram M. Gordon, 2018-11-15 As German troops entered Paris following their victory in June 1940 the American journalist William L Shirer observed that they carried cameras and behaved as na ve tourists One of the first things Hitler did after his victory was to tour occupied Paris where he was famously photographed in front of the Eiffel Tower Focusing on tourism by German personnel military and civil and French civilians during the war as well as war related memory tourism since War Tourism addresses the fundamental linkages between the two As Bertram M Gordon shows Germans toured occupied France by the thousands in groups organized by their army and guided by suggestions in magazines such as Der Deutsche Wegleiter fr Paris The German Guide for Paris Despite the hardships imposed by war and occupation many French civilians continued to take holidays Facilitated by the Popular Front legislation of 1936 this solidified the practice of workers vacations leading to a postwar surge in tourism After the end of the war the phenomenon of memory tourism transformed sites such as the Maginot Line fortresses The influx of tourists with links either directly or indirectly to the war took hold and continues to play a significant economic role in Normandy and elsewhere As France moved from wartime to a postwar era of reconciliation and European Union memory tourism has held strong and exerts significant influence across the country

Cruise Tourism in the Caribbean Martha Honey, 2019-06-17 This book explores the lessons learned from half a century of Caribbean cruise tourism one of the most popular and profitable sectors of the tourism industry The modern day cruise industry dates from the 1960s when the three major cruise lines Carnival Royal Caribbean and Norwegian set up shop in Florida and began selling winter cruises to the Caribbean targeting American

retirees For geopolitical reasons the US initially excluded cruises to Cuba This changed in 2016 following the historic Obama Castro agreement to move towards diplomatic trade and travel normalization Cuba quickly became the Caribbean s fastest growing cruise destination This book considers the limited economic benefits of cruise tourism its environmental and social impacts and the effects of climate change and overtourism Based on this analysis and case studies of key Caribbean and Mediterranean destinations this book cautions against overdependence on cruise tourism and outlines reforms needed to bring more benefits and equity to Caribbean countries It will be valuable to professionals businesses development agencies NGOs and academics interested in a sustainable cruise industry and the economic well being of Caribbean island nations

The Fires of Spring Shelly Culbertson, 2016-04-19 Turkey Iraq Qatar Jordan Egypt and Tunisia The Arab Spring all started when a young Tunisian fruit seller set himself on fire in protest of a government official confiscating his apples and slapping his face The aftermath of that one personal protest grew to become the Middle East movement known as the Arab Spring a wave of disparate events that included protests revolutions hopeful reform movements and bloody civil wars The Fires of Spring is the first book to bring the post Arab Spring world to light in a holistic context A narrative of author Shelly Culbertson's journey through six countries of the Middle East The Fires of Spring tells the story by weaving together a sense of place insight about issues of our time interviews with leaders history and personal stories Culbertson navigates the nuances of street life and peers into ministries mosques and women's worlds She delves into what Arab Spring optimism was about and at the same time sheds light on the pain and dysfunction that continues to plague parts of the region The Fires of Spring blends reportage travel memoir and analysis in this complex and multifaceted portrait

Dream the Size of Freedom R. Joseph Parrott, 2025-07-08 How anti colonial movements in Angola Mozambique and Guinea Bissau reshaped US activist engagement with the Global South from the 1960s through the 1970s Dream the Size of Freedom explores how anti colonial movements in Angola Mozambique and Guinea Bissau reshaped US activist engagement with the Global South from the 1960s through the 1970s and influenced American foreign policy as the Vietnam War drew to a close These Portuguese African liberation movements led by nationalists like Eduardo Mondlane and Amílcar Cabral built global solidarity networks to support their military and social challenges to empire while defending against Western intervention US activists

disillusioned with the Cold War came to see African self determination as central to global campaigns for racial and economic justice A broad coalition ranging from Black Power radicals to religious liberals mobilized against the North Atlantic alliance with Portugal In the process this grassroots movement helped define a New Left Internationalism that championed decentralized multiracial organizing and a collaborative vision of US foreign policy to redress historic inequalities between Global North and South Drawing on more than fifty oral histories and research in government and activist archives on three continents in English Portuguese French and Afrikaans R Joseph Parrott reconstructs the transnational anti imperial network that injected Global South priorities into US political debates Popular protests and informational campaigns led to collaborations with legislators eager to constrain the powerful executive branch In 1976 this grassroots legislative alliance halted Gerald Ford s anti communist intervention against the Soviet backed government of newly independent Angola This victory of New Left Internationalist ideas anticipated future anti apartheid and Latin American peace movements while also fueling a conservative revival of Cold War containment By exploring US engagement with the contested process of African decolonization *Dream the Size of Freedom* highlights the origins of two contrasting visions of American foreign policy that defined debates over the country s proper role in the Global South into the 1990s
