English

Wearing the headphones (see fig. A)

- 1 Determine right and left headphone and hold them as in the illustration.
- 2 Insert the left headphone from behind your left ear, as in the illustration. Be sure to wear it completely inside the ear canal.
- 3 Adjust the earbud to fit snugly in your ear. Follow the same procedure for the right side.

How to install the earbuds correctly (see fig. B)

If the earbuds do not fit your ears correctly, low-bass sound may not be heard. To enjoy better sound quality, change the earbuds to another size, or adjust the earbuds position to sit on your ears comfortably and fit your ears snugly. The M size earbuds are attached to the headphones before shipment. If you feel the M size earbuds do not suit your ears, replace them with the supplied S or L size earbuds. When you change the earbuds, install them firmly on the headphones to prevent the earbud from detaching and remaining in your ear.

Cleaning the earbuds

Remove the earbuds from the earphones, and wash them with a mild detergent solution.

How to carry the headphones (see fig. C)

- 1 Place the headphones in the inner case.
- 2 Wind the cord around the side of the inner case and then put the inner case in the carrying case.

Sony Mdr Ex85lp Headphones Owners Manual
