Subcommittee on Department of Defense, 2012 **Department of Defense Appropriations for Fiscal Year 2013** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Defense, 2013 Marine Corps Publications Combined: USMC Battle Skills Test Study Materials , Mission Effective 1 January 2018 the total force will conduct the training and evaluation of 30 tasks designated in the BST program in order to sustain skills common for all Marines

Execution Commanders Intent The BST Program provides a structured approach for the service to ensure all Marines sustain proficiency in 30 of the 178 common skills taught during entry level training The program will emphasize training using a leader led face to face approach Small unit leaders noncommissioned officers and above will be the primary trainers and evaluators Marines private through general will annually demonstrate their mastery of these common skills Commanders will have flexibility in their approach to training and evaluating their units Concept of Operations The BST Program effectively begins 1 January 2018 as a calendar year requirement However commanders can immediately start incorporating BST training into their unit training plans and are encouraged to begin preparing their small unit leaders to conduct and evaluate the 30 common skills Training support packages TSP and associated performance evaluation checklists for each of the 30 BST skills are online to assist small unit leaders The TSPs provide small unit leaders the required information performance steps and evaluation criteria to facilitate leader led training The training is designed to be conducted in any environment from garrison to field on the flight line in the motor pool maintenance bay or on ship Units may find that many of these skills are already embedded in their unit training plan thereby minimizing the impact of the BST Program Commanders determine how and when the training and evaluation will occur throughout the calendar year Options range from training and evaluation over the course of a year to training throughout the year and then consolidating evaluation into a culminating event to foster esprit de corps For example training and evaluation can be combined in a teach it test it method where Marines are evaluated immediately after the training is conducted or Marines can be trained and then evaluated on a later date All Marines have previously been taught these skills during entry level training thus the expectation is that Marines have the ability to easily refresh and sustain these skills However if unable to pass Marines will have multiple opportunities to remediate Commanders have the entire calendar year to ensure their Marines train and pass all 30 of the skills and will ensure that training is recorded The 30 skills of BST Program are Basic Infantry skills Conduct observation Defend a position Describe the use of deadly force Employ a map and compass Handle detainees Identify anomalies Perform actions with a service rifle Perform immediate action upon contact with the enemy Perform weapons handling procedures with a service rifle Search an individual Stand a sentry post Visually identify indicators of improvised explosive devices Communications Communicate using hand and arm signals Operate a VHF radio Submit a message First Aid Apply a tourniquet Describe

The Small War Manual (SWM) and Marine Corps Military Operations Other Than War Doctrine - Relevance in

the 21st Century, MOOTW, Operational History, World War II Department of Defense, U. S. Marine Corps (USMC), U. S. Government, 2017-05-29 On 28 March 2001 the United States Marine Corps Warfighting Laboratory's embedded think tank the Center for Emerging Threats and Opportunities announced its intentions for developing a follow on volume of the Small Wars Manual This Small Wars Volume II intends to serve as a reference publication despite that the original manual was authoritative doctrine and that current Military Operations Other Than War guidance is either in a Concept in Development or Awaiting Development status Thus this thesis answers Does the Small Wars Manual series present a relevant baseline for the United States Marine Corps USMC to further develop its future MOOTW doctrine The following supporting questions require examination 1 Why did the original SWM erode from serving as USMC MOOTW authoritative doctrine to that of general reference and historical material 2 What does the SWM offer Twenty first Century Marine Corps MOOTW doctrine 3 What does the SWM Volume II intend to offer Twenty first Century Marine Corps MOOTW doctrine The thesis concludes among other things that indeed the SWM series deserves significant consideration for serving as Navy and Marine Corps authoritative MOOTW doctrine with the Small Wars Manual retaining its Marine Corps Reference Publication MCRP designation and its follow on volume serving as a Navy and Marine Corps authoritative doctrinal CHAPTER 1 INTRODUCTION CHAPTER 2 THE OPERATIONAL HISTORY OF THE SMALL WARS MANUAL CHAPTER 3 THE SMALL WARS MANUAL TWENTY FIRST CENTURY RELEVANCE CHECK CHAPTER 4 THE SMALL WARS MANUAL VOLUME II CHAPTER 5 CONCLUSION The SWM is a USMC pre World War II booklet that provides guidelines for the conduct of Military Operations Other than War MOOTW It has been celebrated as an unparalleled exposition of the theory of small wars The SWM authors veterans of the Caribbean and Central American Banana Wars 1901 to 1934 based their Manual upon experiences in the early years of the twentieth century and on a handbook that grew out of Britain's colonial experience The handbook referenced is Colonel Charles Calwell's Small Wars a warfighting classic that captures British MOOTW experiences accumulated over an entire era of colonial expansion In 1987 the USMC reprinted the SWM claiming it to be one of the best books on military operations in peacekeeping and counterinsurgency operations published before World War II This claim is perhaps an understatement given the generic nature of currently available MOOTW doctrine CETO's current SWM Volume II confronts the daunting task of modernizing Callwell's and the Banana War's doctrinal legacies Despite recent service in the Great War and with another global conflict looming on the horizon World War II the 1940 SWM authors declared that Small Wars represented the normal and frequent operations of the Marine Corps Similarly at the turn of the Twenty first Century despite the I Marine Expeditionary Force's sustained operations ashore during Operations Desert Shield and Desert Storm 1990 to 1991 and in Operations Iraqi Freedom 2003 to present MCDP 3 Expeditionary Operations 1998 reminds Marines that small scale contingencies remain the most likely and most frequent crises into which the United States will find itself drawn Given this emphasis it is puzzling that Marines enter the Twenty first Century without either an EMW OEO supporting

concept for the future or service specific MOOTW doctrine Even more puzzling is CETO s intent for the SWM Volume II s a doctrinal work of enduring value to serve as nothing more than a complementary reference publication and its development without benefit of the normal Marine Corps Planning Process tenant of top down planning guidance
