

The first thing you should know about the
 design of the book is that it is not a
 collection of recipes. It is a book that
 will help you understand the design
 process and how to use the tools
 that are available to you. The book
 is divided into two main sections:
 the first section is about the design
 process and the second section is
 about the tools that you can use to
 create your designs. The first section
 is divided into three parts: the first
 part is about the design process, the
 second part is about the design tools,
 and the third part is about the design
 process. The second section is divided
 into two parts: the first part is about
 the design tools and the second part
 is about the design process. The book
 is written in a clear and concise style
 that is easy to read and understand.
