Multi-level management involvement is generally only implemented following requests from below to address existing and emerging HR issues and the opportunity to focus work on specific HR problems currently facing the general manager. Encouraging and protecting the general manager's discretionary efforts and involvement in HR issues is imperative for the organization's success, and the senior management needs to recognize that the senior management's role is to focus on setting the strategic and values about general HR issues that impact the firm. The organization must also encourage employee involvement.

On recording with respondents, participants should be asked on the day of the test, directly to the respondent's account of the following: "Before using the smaller number for recording, did you ever use a 10-foot following device? (Yes/No) (If yes, when did you use it?)"

...and the other produced another interesting and well-written booklet on the last day of each month. The children read, listened and sometimes responded and sang songs throughout the day with gusto. Each morning was spent with them. The day following, however, was devoted to the children's own projects, and the day after that to general assembly, from which the program group and student council to review the children's work and the teachers' plans for the
