CONTENT Experiences in Translation Umberto Eco, 2008-01-01 In this book Umberto Eco argues that translation is not about comparing two languages but about the interpretation of a text in two different languages, thus involving a shift between cultures. An author whose works have appeared in many languages, Eco is also the translator of Gertrude Stein's *Sylvie* and Raymond Queneau's *Exercices de style* from French into Italian. In *Experiences in Translation*, he draws on his substantial practical experience to identify and discuss some central problems of translation. As he convincingly demonstrates, a translation can express an evident deep sense of a text even when violating both lexical and referential faithfulness. Depicting translation as a semiotic task, he uses a wide range of source materials as illustration: the translations of his own and other novels; translations of the dialogue of American films into Italian; and various versions of the Bible. In the second part of his study, he deals with translation theories proposed by Jakobson, Steiner, Peirce, and others. Overall, Eco identifies the different types of interpretive acts that count as translation. An enticing new typology emerges based on his insistence on a common sense approach and the necessity of taking a critical stance. Wilde - The Picture of Dorian Gray. English Edition

Oscar Wilde, 2024-09-11 It is only shallow people who do not judge by appearances. Lord Wotton. The young, naive and astonishingly beautiful Dorian Gray meets the cynical and hedonistic Lord Wotton, with whom he begins to explore the more pleasurable, less ethical sides of London. While he enjoys a life of sin and excess, his innocent beauty remains untainted, almost as if he had made a devil's bargain to keep it. Wilde's only novel was considered indecent and corruptive when it was published in 1891, in particular because of its implied homoeroticism. Today it is renowned as one of the most famous Gothic novels, a timeless classic and an inspiration for countless other books and movie adaptations. A special edition, hardcover, embossed with silver foil. The most popular Irish author in his original writing. The books that the world calls immoral are books that show the world its own shame. Oscar Wilde. Experience is merely the name men gave to their mistakes. Oscar Wilde. The Picture of Dorian Gray. Nowadays, people know the price of everything and the value of nothing. Oscar Wilde.
