Let it go-Frozen

Lyric	Metaphor/ Simile
It's a cold place where on the mountains tonight It's a frozen heart for the heart A kingdom of isolation And it looks like I'm the queen	
It's a cold place where on the mountains tonight It's a frozen heart for the heart A kingdom of isolation And it looks like I'm the queen It's a cold place where on the mountains tonight It's a frozen heart for the heart A kingdom of isolation And it looks like I'm the queen	
It's funny how some distance makes everything seem so small And the less that you care about me, the more I'll grow It's time to face what I've been doing It's time to face what I've been doing It's time to face what I've been doing It's time to face what I've been doing	
My power flurries through the air into the ground My soul is a fire that's burning out of control And one thought is crashing like an icy blast I'm never going back, the past is in the past	
Let it go, let it go And I'll rise like the wind and the rain Let it go, let it go The perfect girl is gone Here I stand in the light of day Let the storm rage on The cold never bothered me anyway

Song of Songs: An Introduction and Study Guide J. Cheryl Exum, 2022-07-14 The Song of Songs also known as the Song of Solomon is an unusual book to find in the Bible As the Bible s only love poem the Song offers a unique picture of relations between the sexes in biblical times Unlike other biblical books it consists entirely of dialogue It looks at love from both a woman s and a man s point of view and shows the reader what love is like exclusively through what lovers say about it There are few issues in Song of Songs interpretation that are not open to debate which makes it a fascinating book to study In this Guide Cheryl Exum provides a concise survey of the principal questions encountered in Song of Songs scholarship She also takes the discussion beyond the traditional research questions to introduce readers to new and ongoing areas in Song of Songs research Bibliographies and suggestions for further reading at the end of each chapter provide additional resources for readers interested in pursuing specific topics and exploring new directions in the study of the Song of Songs **The**

Lyrics and Limericks John Davies, 2009-04-12 In the Land of Song and Literature that is Wales what could be more natural than writing music and poetry So this book is a collection of song lyrics and limericks It is primarily a light hearted look at the worlds of song writing and poetry But it is much more than that It is also a patchwork quilt of interviews autobiography and mythology Each lyric and set of limericks is preceded by prose related sometimes tenuously to the reason for writing the verse The lyrics were not written as poems they are verses divorced from their musical settings Are song lyrics poetry This is a theme which runs through the book Nine authors and songwriters were asked this question The list of those who contributed is like a Who's Who of Welsh music and poetry Dannie Abse Steve Balsamo Peter Finch Ron Griffiths Paul Henry Gwyneth Lewis Robert Minhinnick Mal Pope and solitary Scot Al Stewart Their answers to this and other questions make fascinating reading There is also a previously unpublished short poem from Robert Minhinnick and a two line verse from Paul Henry What was their conclusion Are song lyrics the same as poetry For the answers be sure to read the entertaining Lyrics and Limericks Book reviews online PublishedBestsellers website
