Soma in Biblical Theology Robert H. Gundry, 2005-08-22 Argues that the Greek word soma should be read as the individual physical body rather than man as an indivisible whole **Sōma in biblical theology** Robert Horton Gundry, 1976 Argues that the Greek word soma should be read as the individual physical body rather than man as an indivisible whole

God and Contemporary Science Philip Clayton, 1997 This text is part of the Edinburgh Studies in Constructive Theology series which aims to provide a dialogue between the history of Western theological traditions and the contemporary interpretative context Intended for those with no particular historical or theological training it guides students through the core theological issues searching out common ground by surveying the classic works of the theological tradition

Perichoretic Salvation James D. Gifford, 2011-09-15 For two thousand years Christian theologians have struggled to explain the believer's union with Christ What sort of union is it How can it be fully described This book is an attempt to join the conversation to explore exactly what it means to be in union with Christ This book will argue that the believer's union with Christ can rightly be presented as a third type of perichoresis Perichoresis is a word that describes the way the persons of the Trinity interrelate without losing their essential oneness nor without being absorbed into each other In short the doctrine of perichoresis preserves the unity and diversity within the Godhead It is also used to describe the hypostatic union of the divine and human in Christ In Perichoretic Salvation James Gifford argues that the union of the believer and Christ is a relationship of the same kind though of a third type Arguing from a perspective that is rooted biblically historically and theologically the book will allow the union to be explained more fully than in the past while remaining within the bounds of what the church has taught over the centuries It may prove to be a basis for understanding the work of Christ afresh for the twenty first century **The Resurrection** Stephen T. Davis, Daniel Kendall, Gerald O'Collins, 1997-05-30 This collection of papers is an international ecumenical and interdisciplinary study of Jesus resurrection that emerged from the Resurrection Summit meeting held in New York at Easter 1996 The contributions represent mainstream scholarship on biblical studies fundamental theology systematic theology philosophy moral theology and homiletics and combine to offer a timely wide ranging and well balanced work on the central truth of Christianity

Clothed in the Body Hannah Hunt, 2016-05-23 Hunt examines the apparent paradox that Jesus earthly existence and post resurrection appearances are experienced through consummately physical actions and attributes yet some ascetics within the Christian tradition appear to seek to deny the value of the human body to find it deadening of spiritual life Hunt considers why the Christian tradition as a whole has rarely managed more than an uneasy truce between the physical and the spiritual aspects of the human person Why is it that the Church has energetically argued through centuries of ecumenical councils for the dual nature of Christ but seems still unwilling to accept the full integration of physical and spiritual within humanity despite Gregory of Nazianzus's comment that what has not been assumed has not been redeemed **Whatever Happened to the Soul?** Warren S. Brown, Nancey C.

Murphy, H. Newton Malony, 1997-12-01 As science crafts detailed accounts of human nature what has become of the soul This collaborative project strives for greater consonance between contemporary science and Christian faith Outstanding scholars in biology genetics neuroscience cognitive science philosophy theology biblical studies and ethics join here to offer contemporary accounts of human nature consistent with Christian teaching Their central theme is a nondualistic account of the human person that does not consider the soul an entity separable from the body scientific statements about the physical nature of human beings are about exactly the same entity as are theological statements concerning the spiritual nature of human beings For all those interested in fundamental questions of human identity posed by the present context this volume will provide a fascinating and authoritative resource

To Tell the Mystery Thomas E. Schmidt, Moisés Silva, 1994-01-01 The eschatology at the core of the New Testament has been one of the scholarly interests of Robert Gundry of Westmont College in Santa Barbara California In this Festschrift for Gundry twelve contributors representing scholarship from several countries several traditions and several generations examine eschatological themes in Matthew Birger Gerhardsson and Donald Hagner the Synoptic Gospels I vol 1 Howard Marshall 2 Corinthians Jan Lambrecht Galatians Moises Silva 1 Corinthians Judith Gundry Volf Colossians James D G Dunn 2 Thessalonians Gordon D Fee 1 John D A Carson Revelation Thomas E Schmidt and the New Testament in general Michael Goulder and J Ramsey Michaels

The Resurrection of Jesus John Dominic Crossan, Nicholas Thomas Wright, 2005-11-07 Two of today's most important and popular New Testament scholars John Dominic Crossan and N T Wright here air their very different understandings of the historical reality and theological meaning of Jesus Resurrection The book highlights points of agreement and disagreement between them and explores the many attendant issues This book brings two leading lights in Jesus studies together for a long overdue conversation with one another and with significant scholars from other disciplines

Vital Issues in the Inerrancy Debate F. David Farnell, Norman L. Geisler, Joseph M. Holden, William C. Roach, Phil Fernandes, 2016-01-14 The inerrancy of God's Word has been attacked throughout church history Today's assaults are unique since neo evangelicals now surrender to post modernistic ideas of history and historical critical ideologies that assault this vital doctrine They seek to redefine the orthodox meaning of inerrancy Since the signing of the Chicago Statements troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy or who do not remember the troubling times that caused their development The nature and definition of inerrancy are now being changed to include ideas of fallibility History is forgotten The need arises for sounding the alarm for Vital Issues in Inerrancy Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God's inerrant Word The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God's Word Isaiah 40:8 The grass withers the flower fades But the word of our God stands forever

Jesus,

Paul and the End of the World Ben Witherington III, 1992-04-13 Ben Witherington III offers a comparison and a critical assessment of the end times teachings of Jesus and Paul

Biblical Theology Ben Witherington, III, 2019-07-04 In *Biblical Theology* Ben Witherington III examines the theology of the Old and New Testaments as a totality. Going beyond an account of carefully crafted Old and New Testament theologies, he demonstrates the ideas that make the Bible a sacred book with a unified theology. Witherington brings a distinctive methodology to this study. Taking a constructive approach, he first examines the foundations of the writers' symbolic universe: what they thought and presupposed about God and how they revealed those thoughts through the narratives of the Old and New Testaments. He also shows how the historical contexts and intellectual worlds of the Old and New Testaments conditioned their narratives and in the process created a large coherent Biblical world view, one that progressively reveals the character and action of God. Thus the Yahweh of the Old Testament, the Son in the Gospels, and the Father, Son, and Spirit in the New Testament writings are viewed as persons who are part of the singular divine identity. Witherington's progressive revelation approach allows each part of the canon to be read in its original context and with its original meaning.

New Documents Illustrating Early Christianity, 9 Stephen Llewelyn, 2002-10-28 This new volume in the New Documents series continues the efforts of the Ancient History Documentary Research Centre at Macquarie University to make available Greek inscriptions and papyri that shed light on the Graeco-Roman world, the context in which the Christian church developed. Volume 9 includes a selection of secular texts as well as documents directly relating to Judaica and ecclesiastica. Notable entries include The Ecumenical Synod of Dionysiac Artists, The Elders and Rulers, Archons of the Jews, and Fragment from the Unknown Gospel Papyrus Egerton 2. Texts and translations are printed side by side; full indices and references are also provided. Since it is being published in honor of Paul Barrett, this volume includes a special preface by Alanna Nobbs, an introductory reflection on Barrett's career and New Testament history by E. A. Judge, and a bibliography of Barrett's work compiled by C. B. Forbes.

Paul and the Self J. Knox Chamblin, 2011-07-21 An outstanding contribution to the subjects of intra and interpersonal relations is the work done by J. Knox Chamblin, *Paul and the Self*. The author has studied every Pauline passage relating to the self and arranged his findings so as to enrich our understanding of a holistic personal maturity as well as a holistic corporate maturity. The serious Bible student should have this book.

Perichoresis and Personhood Charles Twombly,2015-02-05 Perichoresis mutual indwelling is a concept used extensively in the so called Trinitarian revival and yet no book length study in English exists probing how the term actually developed in the classical period of Christian doctrine and how it was carefully deployed in relation to Christian dogma Consequently perichoresis is often used in imprecise and even careless ways This path breaking study aims at placing our understanding of

the term on firmer footing clarifying its actual usage in relation to doctrines of God Christ and salvation in the thought of John of Damascus the eighth century theologian monk and hymn writer who gave it its historically influential application Since John summed up a whole theological tradition this work provides not only an introduction to his theological vision but also to the key themes of Greek patristic thought generally and thereby lays an essential foundation for those who would dig deeper into the present day usefulness of perichoresis *The Big Book of Christian Apologetics* Norman L.

Geisler,2012-11-01 The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith Examining nearly every key issue person and concept related to Christian apologetics this book clarifies difficult biblical passages clearly explains various philosophical systems and concepts examines contemporary issues and challenges and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics An expertly abridged version of the Baker Encyclopedia on Christian Apologetics this resource brings leading apologist Norman L Geisler s seminal work to the masses
