Campfire Stories: Chilling Philippine Tales from the Edge - Volume 2 Angela Atienza, DyslexicParanoia, 2025-07-12
Campfire Stories Chilling Philippine Tales from the Edge Volume 2 Some stories are meant to be shared Others should never be spoken aloud In this chilling second volume of Campfire Stories tales 026 to 050 take a darker more unsettling turn delving into the quiet horrors that lurk behind the everyday You ll find borrowed dorm beds that hide unseen occupants Phone messages sent from numbers that no longer exist Footsteps echoing down stairwells growing closer even when no one is there And questions that should never have been asked in the first place Each tale drips with dread and quiet unease drawn from real life whispers Filipino urban legends and late night forum confessions These stories stand alone but together they form a web of shared fear a warning that the world is thinner than it seems That sometimes the stranger watching you isn't just in your head And that the things we dismiss as dreams glitches or coincidences may be signs of something much worse Read them slowly Read them with the lights on Because once a story is told it can't be taken back Close the book if you must But the shadows already know your name
