

FOREWORD

This manual contains an introductory description of the SUZUKI V-MAX and procedures for its proper maintenance and use of its main components. Other information considered as generally known is not included.

Read the GENERAL INFORMATION section to become acquainted with the motorcycle and its maintenance. Use this section as well as other sections to use as a guide to proper inspection and service.

This manual will help you know the motorcycle but be so that you can deliver your customers of top and reliable service.

- * This manual has been prepared on the basis of the latest specifications at the time of publication. Modifications have been made and their differences may exist between the contents of this manual and the actual motorcycle.
- * Illustrations in this manual are used to show the basic principle of operation and work procedure. They may not represent the actual motorcycle exactly in detail.
- * This manual is written for persons who have enough knowledge, skills and tools, including special tools, for servicing SUZUKI motorcycles. If you do not have the proper knowledge and tools, ask your authorized SUZUKI motorcycle dealer to help you.

WARNING

Inexperienced mechanics or mechanics without the proper tools and equipment may not be able to properly perform the services described in this manual. Improper repair may result in injury to the mechanics and they may do the motorcycle unsafe for the rider and passenger.

IMPORTANT (For USA)

All street legal Suzuki motorcycles with engine displacement of 50 cc or greater are subject to Environmental Protection Agency emission regulations. These regulations set specific standards for reduced emission output levels as well as particular servicing requirements. This manual includes specific information required to properly inspect and service SUZUKI in accordance with all EPA regulations. It is strongly recommended that for those in California County, consult the listing and information for the right service center any type of service work is performed.

Further information concerning the EPA emission regulations and U.S. Agency emission control program can be found in the U.S. SUZUKI EMISSION CONTROL PROGRAM MANUAL SERVICE BULLETIN.
