

FRANKENSTEIN Study Guide

Letters 1-4

1. Who is writing Letter 1 (and all the letters)?

Robert Walton

2. To whom is he writing? What is their relationship?

Mrs. Saville, his sister

3. Where is Robert Walton when he writes Letter 1? Why is he there?

What are his plans?

St. Petersburg, Russia. He is hiring a crew for his ship. He intends to sail to the North Pole and discover magnetism.

4. What does Robert Walton tell us about himself?

He is passionately committed to discovery and adventure. He wishes he had a friend with the same sensibilities and he says he is self-taught.

5. Where is Walton now? What do you think of Walton's question "What can stop the determined heart and resolved will of man"?

Walton is out to sea, sailing north. The quotation establishes the Romantic idea of the power of emotion over reason.

6. How much time has elapsed between Letter 3 and Letter 4? What "strange accident" has happened to the sailors?

One month has lapsed. The accident is the ship is trapped in ice and fog.

7. Why does the man picked up by the ship say he is there? What shape is he in?

Study Guide Questions Frankenstein

Steven Smith

Study Guide Questions Frankenstein:

Study Guide for Decoding Frankenstein Steven Smith, 2023-07-13 Decoding Frankenstein delves into Mary Shelley's seminal work exploring the multifaceted themes and ethical dilemmas that have captivated readers since its inception. The guide begins by examining the novel's historical context, laying the foundation for understanding the societal, scientific, and cultural shifts of the early 19th century that influenced Shelley's writing. This period was marked by rapid advancements in science and technology alongside significant philosophical debates about human nature, ethics, and the role of science in society. These historical elements are crucial for grasping the narrative's complexities and its characters' motivations. At the heart of Frankenstein lies the fraught relationship between Victor Frankenstein and his creation, a central theme that raises questions about responsibility, the consequences of unchecked ambition, and the ethical boundaries of scientific exploration. Victor's ambitious quest to create life and subsequent failure to accept responsibility for his creation encapsulates the novel's critique of human hubris and the moral obligations accompanying scientific discovery. This guide emphasizes the dynamic between creator and creation, exploring how their evolving conflict reflects broader themes of alienation, revenge, and the quest for understanding. The novel's moral and ethical questions, explored in another critical component of this guide, encourage students to reflect on the implications of Victor's scientific endeavors, the societal rejection faced by the Creature, and the devastating impact of loneliness and isolation. These reflections lead to discussions on the nature of justice, the pursuit of knowledge, and the consequences of playing God. The guide also tackles the theme of nature versus nurture, inviting students to consider how environment and treatment shape the Creature's descent into violence and despair. Frankenstein presents an enduring study of the human condition through its rich narrative and complex character dynamics. This guide aims to illuminate the ethical considerations, the significance of empathy, and social responsibility, and the dangers inherent in pursuing knowledge without ethical constraints. By examining these themes, students can engage deeply with Shelley's work and draw connections to contemporary debates surrounding science, ethics, and society. Decoding Frankenstein offers a thorough analysis of Frankenstein, encouraging students to critically engage with the text's historical background, thematic depth, and moral questions. It provides a structured framework for understanding the novel's enduring relevance and the profound ethical considerations it raises, making it an indispensable resource for students seeking to explore the rich narrative and philosophical depths of Mary Shelley's masterpiece.
