A telling look at today s reverse migration of white middle class expats from north to south through the lens of one South American city Even as the migration crisis from the Global South to the Global North rages on another lower key and yet important migration has been gathering pace in recent years that of mostly white middle class people moving in the opposite direction Gringolandia is that rare book to consider this phenomenon in all its complexity Matthew Hayes focuses on North Americans relocating to Cuenca Ecuador the country s third largest city and a UNESCO World Heritage Site Many began relocating there after the 2008 economic crisis Most are self professed economic refugees who sought offshore retirement affordable medical care and or a lower cost location Others however sought adventure marked by relocation to an unfamiliar cultural environment and to experience personal growth through travel illustrative of contemporary cultures of aging These life projects are often motivated by a desire to escape economic and political conditions in North America Regardless of their individual motivations Hayes argues such North South migrants remain embedded in unequal and unfair global social relations He explores the repercussions on the host country from rising prices for land and rent to the reproduction of colonial patterns of domination and subordination In Ecuador heritage preservation and tourism development reflect the interests and culture of European descendent landowning elites who have most to benefit from the new North South migration In the process they participate in transnational gentrification that marginalizes popular traditions and nonwhite mestizo and indigenous informal workers The contrast between the migration experiences of North Americans in Ecuador and those of Ecuadorians or others from such regions of the Global South in North America and Europe demonstrates that in fact what we face is not so much a global migration crisis but a crisis of global social justice **The World's Chronicle**

Eleanor Atkinson,Francis B. Atkinson,Lewis A. Convis,1902 **Measuring History** S. G. Grant,2009-03-01 Measuring History complements the cases presented in Wise Social Studies Practices Yeager Davis 2005 Yeager and Davis highlight the rich and ambitious teaching that can occur in the broad context of state level testing In this book the chapter authors and I bring the particular state history tests more to the fore and examine how teachers are responding to them At the heart of Measuring History are cases of classroom teachers in seven states Florida Kentucky Michigan New York Texas Mississippi and Virginia where new social studies standards and new and generally high stakes state level history tests are prominent In these chapters the authors describe and analyze the state s testing efforts and how those efforts are being interpreted in the context of classroom practice The results both support and challenge prevailing views on the efficacy of testing as a vehicle for educational reform Catherine Horn University of Houston and I lay the groundwork for the case studies through a set of introductory chapters that examine the current environment the research literature and the technical qualities of history
