Foods that Will Win the War Charles Houston Goudiss,Alberta Moorhouse Goudiss,1918 *Foods That Will Win the War and How to Cook Them (1918)* Alberta Moorhouse Goudiss,2018-08-13 Foods That Will Win the War and How to Cook Them 1918 By Alberta Moorhouse Goudiss Though it contains nearly 250 frugally delicious food conserving recipes FOODS THAT WILL WIN THE WAR AND HOW TO COOK THEM is far more than a mere cookbook At once educational and deeply inspiring this World War One classic reveals the terrible human cost of wasting food the power that lies in the hands of every family to make a real difference during times of world food crisis such as we face today and the practical steps even the humblest cook or family food budgeter can take to ensure the long term food security of his or her own family of our nation and of the world all families share Illustrated with vintage WWI era United States Food Administration food conservation posters which are reproduced in full color in the Amazon Kindle version of the book FOODS THAT WILL WIN THE WAR AND HOW TO COOK THEM provides as much satisfaction to the eye as it is does to the conscience and the palate We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience The World War One Pantry Steve Page,2023-10 The World War I Pantry Nourishing Recipes from a Time of Sacrifice Step back in time to an era of resilience and ingenuity with The World War I Pantry This extraordinary cookbook transports you to the kitchens of yesteryear where creativity and determination turned meagre rations into hearty and comforting meals Explore a diverse collection of recipes that reflect the spirit of the time from Victory Soup simmered on the home front to Trench Stew savoured in the midst of conflict Discover the resourceful dishes that sustained families through hardship and learn how everyday ingredients were transformed into culinary treasures With step by step instructions this historical cookbook not only provides a taste of the past but also a connection to the resilience and adaptability that defined an era The World War I Pantry is a tribute to the enduring power of food to comfort nourish and tell the story of a generation Foods That Will Win the War and How to Cook Them, 1918 Goudiss,2018-05-02 All the recipes in this book have been prepared and used in The School of Modern Cookery conducted by The Forecast Magazine and have been endorsed by the U S Food Administration They have been worked out under the direction of Grace E Frysinger graduate in Domestic Science of Drexel Institute of Philadelphia and the University of Chicago Miss Frysinger who has had nine years experience as a teacher of Domestic

Science has earnestly used her skill to make these recipes practical for home use and at the same time accurate and scientific We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **The Recipe Reader** Janet Floyd,Laurel Forster,2017-03-02 Over the last decade there has been an intense and widespread interest in the writing and publishing of cookery books yet there remains surprisingly little contextualized analysis of the recipe as a generic form This essay collection asserts that the recipe in all its cultural and textual contexts from the quintessential embodiment of lifestyle choices to the reflection of artistic aspiration is a complex distinct and important form of cultural expression In this volume contributors address questions raised by the recipe its context its cultural moment and mode of expression Examples are drawn from such diverse areas as nineteenth and twentieth century private publications official government documents campaigning literature magazines and fictions as well as cookery writers themselves cookbooks and TV cookery In subjecting the recipe to close critical analysis The Recipe Reader serves to move the study of this cultural form forward It will interest scholars of literature popular culture social history and women s studies as well as food historians and professional food writers Written in an accessible style this collection of essays expands the range of writers under consideration and brings new perspectives contexts and arguments into the existing field of debate about cookery writing Foods That Will Win the War and How to Cook Them (WWI Centenary Series) Charles Houston Goudiss,Alberta Moorhouse Goudiss,2014-05-21 This early work by Charles Houston Goudiss and Alberta Moorhouse Goudiss was originally published in 1918 and we are now republishing it as part of our WWI Centenary Series Foods That Will Win the War and How to Cook Them is an excellent work on a variety of meals and food stuffs that help to reduce wastage during wartime Food will win the war and the nation whose food resources are best conserved will be the victor This is the truth that our government is trying to drive home to every man woman and child in America We have always been happy in the fact that ours was the richest nation in the world possessing unlimited supplies of food fuel energy and ability but rich as these resources are they will not meet the present food shortage unless every family and every individual enthusiastically co operates in the national saving campaign as outlined by the United States Food Administration The regulations prescribed for this saving campaign are simple and easy of application Our government does not ask us to give up three square meals a day nor even one All it asks is that we substitute as far as possible corn and other cereals for

wheat reduce a little our meat consumption and save sugar and fats by careful utilization of these products This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context **Foods That Will Win the War and How to Cook Them** C. Houston Goudiss,Alberta M. Goudiss,2015-05-11 DON T WASTE IT An authentic World War 1 cookbook To provide adequate supplies for the coming year is of absolutely vital importance to the conduct of the war and without a very conscientious elimination of waste and very strict economy in our food consumption we cannot hope to fulfill this primary duty Woodrow Wilson Of our men we ask their lives Of ourselves a little less food Food will win the war and the nation whose food resources are best conserved will be the victor This is the truth that our government is trying to drive home to every man woman and child in America We have always been happy in the fact that ours was the richest nation in the world possessing unlimited supplies of food fuel energy and ability but rich as these resources are they will not meet the present food shortage unless every family and every individual enthusiastically co operates in the national saving campaign as outlined by the United States Food Administration The regulations prescribed for this saving campaign are simple and easy of application Our government does not ask us to give up three square meals a day nor even one All it asks is that we substitute as far as possible corn and other cereals for wheat reduce a little our meat consumption and save sugar and fats by careful utilization of these products There are few housekeepers who are not eager to help in this saving campaign and there are few indeed who do not feel the need of conserving family resources But just how is sometimes a difficult task This book is planned to solve the housekeeper s problem It shows how to substitute cereals and other grains for wheat how to cut down the meat bill by the use of meat extension and meat substitute dishes which supply equivalent nutrition at much less cost it shows the use of syrup and other products that save sugar and it explains how to utilize all kinds of fats It contains 47 recipes for the making of war breads 64 recipes on low cost meat dishes and meat substitutes 54 recipes for sugarless desserts menus for meatless and wheat less days methods of purchasing in all some two hundred ways of meeting present food conditions at minimum cost and without the sacrifice of nutrition **Foods That Will Win the War and How to Cook Them (1918)** Goudiss,2016-06-25 All the recipes in this book have been prepared and used in The School of Modern Cookery conducted by The Forecast Magazine and have been endorsed by the U S Food Administration They have been worked out under the direction of Grace E Frysinger graduate in Domestic Science of Drexel Institute of Philadelphia and the University of Chicago Miss Frysinger who has had nine years experience as a teacher of Domestic Science has earnestly used her skill to make these recipes practical for home use and at the same time accurate and scientific *Foods That Will Win the War* Charles Houston Goudiss,Alberta Moorhouse Goudiss,2014-02 This is a reproduction of a book published before

Block,Howard B. Rosing,2015-09-03 Chicago began as a frontier town on the edge of white settlement and as the product of removal of culturally rich and diverse indigenous populations The town grew into a place of speculation with the planned building of the Illinois and Michigan canal a boomtown and finally a mature city of immigrants from both overseas and elsewhere in the US In this environment cultures mixed first at the taverns around Wolf Point where the forks of the Chicago River join and later at the jazz and other clubs along the Stroll in the black belt and in the storefront ethnic restaurants of today Chicago was the place where the transcontinental railroads from the West and the trunk roads from the East met Many downtown restaurants catered specifically to passengers transferring from train to train between one of the five major downtown railroad stations This also led to destination restaurants where Hollywood stars and their onlookers

would dine during overnight layovers between trains At the same time Chicago became the candy capital of the US and a leading city for national conventions catering to the many participants looking for a great steak and atmosphere Beyond hosting conventions and commerce Chicagoans also simply needed to eat safely and relatively cheaply Chicago grew amazingly fast becoming the second largest city in the US in 1890 Chicago itself and its immediate surrounding area was also the site of agriculture both producing food for the city and for shipment elsewhere Within the city industrial food manufacturers prospered highlighted by the meat processors at the Chicago stockyards but also including candy makers such as Brach s and Curtiss and companies such as Kraft Foods At the same time large markets for local consumption emerged The food biography of Chicago is a story of not just culture economics and innovation but also a history of regulation and regulators as they protected Chicago s food supply and built Chicago into a city where people not only come to eat but where locals rely on the availability of safe food and water With vivid details and stories of local restaurants and food Block and Rosing reveal Chicago to be one of the foremost eating destinations in the country *Foods that Will Win the War and how to Cook Them (1918)* ALBERTA. World War One Recipe: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. World War One Recipe : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
