Samantha Michaels,2013-08-27 Now summer is upon us most of us will be getting the barbecues out and using them once more There are many benefits to be had from cooking food on a barbecue rather than in the kitchen When you cook food on a barbecue it seems to taste much nicer The reason for this being that the intense heat produced by a barbecue helps to actually caramelize the exterior of the food A barbecue not only helps to actually make food look more appetizing by turning the food a golden brown color but also you ll find it helps to bring out more of the foods flavor Of course if you d like your food to taste even more wonderful adding some wood chips to it can prove extremely useful You ll often find using a barbecue can prove more convenient but also easy to use Once assembled you simply need to light the charcoal or turn on the gas

supply and leave it for a little while to heat up Most people think barbecues have only been designed for cooking all sorts of meat and fish on them Yet there are plenty of models now available that allow you to cook a whole array of foods including vegetables as well Furthermore you ll find when it comes to barbecuing food you have a lot more cooking methods you can utilize As well as cooking food by direct heat or indirect heat you can also cook your food using smoking and rotisserie methods as well Plus of course you ll find barbecues enable you to cook meals for the family that are much healthier However rather than sticking with the usual sausage and burgers why not consider trying out some of the recipes we offer in this book

diners don't choose they simply say what they don't eat and how spicy they like their food Mr Peng then does the rest serving up small portions with the emphasis on sharing many courses The orders are hand written and are sent down to the kitchen by a chute and the food travels up in a dumb waiter Mr Peng is a firm believer in simplicity Hunan is a landmark book that captures the essence of a unique menu from a unique character Among the 70 must have recipes are Mr Peng's absurdly delicious prawn dumplings lettuce wraps filled with diced chicken which you just pop into your mouth and scrunch and mouth melting double cooked pork As Mr Peng says I often say to people I've only just met I'm a very strange person And then I have to explain food is my life Despite being close to 70 I'm still in the kitchen at Hunan on the floor almost every day doing prep working the wok and talking to guests most of whom have been regulars for years The food is the only thing which has changed and which changes almost daily It is really about bringing out the most in the ingredients Subtle blends of chilli and Sichuan peppercorns push enormous pearly scallops to the edge while the gentle salty miso cuts through the tenderest slivers of corn fed chicken It is possible because the ingredients I use are fresh and of faultless quality
