Sanjiva Rao, 2012

At the Feet of the Master Jiddu Krishnamurti, Alcyone, 1989 Krishnamurti records his teachings as he received them from his spiritual teacher during sleep They address their young student's problems of daily living and set forth a simple guide to right behavior the prerequisite for spiritual progress Now almost a century later this classical jewel of esoteric wisdom still shines a strong pure light on how to begin the spiritual path *Life in Freedom* Jiddu Krishnamurti, 2016-10-31 This book is a collection of talks just prior to Krishnamurti's break with the Order of Star outlining the powerful ideas that were to become the essence of his life's teachings [Eight Conversations](#) Jiddu Krishnamurti, 1969 [Star in the East](#) Roland Vernon, 2002 The story of Krishnamurti one of the twentieth century's most influential and controversial spiritual figures takes place in the crucible of sexual scandal mysticism and an extraordinary personal history Discovered by a leader of the Theosophical Society Krishnamurti was hailed as a messiah and groomed to be the new World Leader Rejecting the society's claims he then set out on a teaching career that covered six decades and produced fifty books and thousands of talks Until his death in 1986 he continued to challenge many generally cherished ideas of spirituality His lectures books and interviews are still widely read and studied In this first truly objective biography English author Roland Vernon uses primary and secondary sources as well as numerous unattributed interviews with Krishnamurti's friends and students to provide a wealth of detail With unflinching and non judgmental clarity Vernon describes the details of Krishnamurti's life including his formative years with the allegedly pedophilic Charles Leadbeater and the notorious Anne Besant and the painful purification process that he was forced to undergo Vernon also provides insight into Krishnamurti's highly private personal life including an extended clandestine affair with longtime friend Rosalind Williams Rajagopal By painting full pictures of the people who most influenced Krishnamurti especially in his formative years the author gives valuable clues to some of the often less well illuminated aspects of Krishnamurti's character **At the Feet of the Master** Jiddu Krishnamurti, 1984
