Swiss Journal Of Business Research And Practice:

Research Handbook on Small Business Social Responsibility Laura J. Spence, Jędrzej George Frynas, Judy N. Muthuri, Jyoti Navare, 2018-01-26 The vast majority of businesses globally are small If business is to be socially responsible we need to go beyond the westernised concept of Corporate Social Responsibility to develop Small Business Social Responsibility This agenda setting Research Handbook on Small Business Social Responsibility includes leading research from around the world including developed and developing country contexts It provides a foundation for the further development of small business social responsibility as a scholarly subject and crucially important practice and policy field ECIE 2023 18th European Conference on Innovation and Entrepreneurship Vol 1 Fernando Moreira, Shital Jayantilal, 2023-09-21 **The Future of Management Education** Stéphanie Dameron, Thomas Durand, 2017-01-25 This book discusses the new challenges facing Business Schools around the world with potential scenarios that may be envisioned for 2030 and strategies for stakeholders Based on documented descriptions of competitive dynamics in the business of business schools in a variety of countries the authors highlight the fact that the industry of management education is going through major changes such as new governance and business models mergers and acquisitions internationalization of faculty and students coexisting with entrenchment in local markets ever more needs for financial resources development of distant and blended learning and increasing pressure for research output to boost rankings With concerns surrounding the sustainability of current trends in faculty salary inflation social acceptability of higher fees cost of distance learning and the risk of an academic industry divide around knowledge produced by management research The Future of Management Education develops an analysis of business models and institution regulation The two volumes cover the context of Business Schools in ten countries and grapples with the challenges they currently face They specifically discuss foresight scenarios and strategic implications for stakeholders Deans faculty students prospective students alumni local businesses corporations government accreditation bodies A Research Agenda for Mergers and Acquisitions David R. King, Olimpia Meglio, 2024-05-02 This Research Agenda poses unique questions and perspectives on how to generate impactful research on mergers and acquisitions Bringing together a mix of established and emerging scholars it outlines how future research in the field can enable managers to make better decisions and improve mergers and acquisition success **Ethnographies of Collaborative Economies across Europe** Penny Travlou, Luigina Ciolfi, 2022-12-30 Sharing economy and collaborative economy refer to a proliferation of initiatives business models digital platforms and forms of work that characterise contemporary life from community led initiatives and activist campaigns to the impact of global sharing platforms in contexts such as network hospitality transportation etc Sharing the common lens of ethnographic methods this book presents in depth examinations of collaborative economy phenomena The book combines qualitative research and ethnographic methodology with a range of different collaborative economy case studies and topics across Europe It uniquely offers a truly interdisciplinary approach It

emerges from a unique long term multinational cross European collaboration between researchers from various disciplines e g sociology anthropology geography business studies law computing information systems career stages and epistemological backgrounds brought together by a shared research interest in the collaborative economy This book is a further contribution to the in depth qualitative understanding of the complexities of the collaborative economy phenomenon These rich accounts contribute to the painting of a complex landscape that spans several countries and regions and diverse political cultural and organisational backdrops This book also offers important reflections on the role of ethnographic researchers and on their stance and outlook that are of paramount interest across the disciplines involved in collaborative economy research

Consumer Brand Relationships in Tourism Raouf Ahmad Rather,2024-11-11 This book provides a comprehensive overview of consumer brand relationships CBR in tourism and hospitality marketing management including pre during and post COVID 19 pandemic It critically investigates the current debates and questions within the field and includes both theory and practical cases from around the globe It brings together leading specialists from various disciplinary backgrounds and geographical regions to offer state of the art theoretical reflections and empirical research on contemporary issues This book is a reference point for scholars researchers academics and students in the field of CBR across disciplines including tourism marketing hospitality leisure festivals and events

Sourcing of Services Lydia Bals,Evi Hartmann,2008 Services play an increasing economic role in developed countries As companies have outsourced and continue to outsource part of their service provision sourcing has gained importance as a field of interest both from a practical and academic perspective This book gives an updated perspective on the topic of sourcing services as well as insights into the current state of the art in practice by means of the case company examples

The Rise of the Sharing Economy Pia A. Albinsson,B. Yasanthi Perera,2018-01-04 This is the ultimate source for anyone who wants a comprehensive view of how the sharing economy began and how it may fundamentally change capitalism across the globe The Rise of the Sharing Economy Exploring the Challenges and Opportunities of Collaborative Consumption examines the business phenomenon of the sharing economy giving readers a thorough analysis of this up and coming sector The book presents a detailed historical perspective of sharing and cooperatives followed by a discussion of societal factors predominantly technology that have facilitated the fast growth of collaborative consumption businesses Additional chapters offer progressive perspectives on how companies can further commercialize sharing Written for undergraduate and graduate students studying the collaborative market and for those with entrepreneurial aspirations this book provides important insight about technology facilities sharing peer to peer lending grassroots social entrepreneurial efforts the economics of the sharing economy legal and public policy issues and more

Market Engineering Henner Gimpel,Jan Krämer,Dirk Neumann,Jella Pfeiffer,Stefan Seifert,Timm Teubner,Daniel J. Veit,Anke Weidlich,2021-04-26 This open access book provides a broad range of insights on market engineering and information management It covers topics like auctions stock markets electricity markets the sharing economy information

and emotions in markets smart decision making in cities and other systems and methodological approaches to conceptual modeling and taxonomy development Overall this book is a source of inspiration for everybody working on the vision of advancing the science of engineering markets and managing information for contributing to a bright sustainable digital world Markets are powerful and extremely efficient mechanisms for coordinating individuals and organizations behavior in a complex networked economy Thus designing monitoring and regulating markets is an essential task of today s society This task does not only derive from a purely economic point of view Leveraging market forces can also help to tackle pressing social and environmental challenges Moreover markets process generate and reveal information This information is a production factor and a valuable economic asset In an increasingly digital world it is more essential than ever to understand the life cycle of information from its creation and distribution to its use Both markets and the flow of information should not arbitrarily emerge and develop based on individual profit driven actors Instead they should be engineered to serve best the whole society s goals This motivation drives the research fields of market engineering and information management With this book the editors and authors honor Professor Dr Christof Weinhardt for his enormous and ongoing contribution to market engineering and information management research and practice It was presented to him on the occasion of his sixtieth birthday in April 2021 Thank you very much Christof for so many years of cooperation support inspiration and friendship

Economic Management And Big Data Application - Proceedings Of The 3rd International Conference Sikandar Ali Qalati,2024-01-03 This book mainly focuses on the research fields of Economic Management and Big Data Applications specifically on the combination of the two It covers all the excellent papers presented in the 3rd International Conference on Economic Management and Big Data Application ICEMBDA 2022 and aims to provide a solid reference for experts and scholars engaged in the fields of economics management science data modeling and cloud computing to share typical cases scientific methods cutting edge technologies and novel insights In this age of data the book initiated by the researchers and analysts from various related disciplines will provide more knowledge technical support and directional guidance to promote the development and upgrading of research in management science and economic research **New Waves in Innovation**

Management Research (ISPIM Insights) Marcus Tynnhammar,2019-02-02 Launched in 2011 to recognize the prolific contribution that PhD dissertations make to the field of Innovation Management the ISPIM Dissertation Award selects three winners from the possible 100 entries every year Aided in the selection process by the generous support of Innovation Leaders the ISPIM presents the awards at their annual Innovation Conference With only three finalists being selected each year many excellent submissions do not receive the recognition they deserve To rectify this the 2018 ISPIM Dissertation Award cast its spotlight beyond the top three dissertations and onto a much greater number of entries Compiling the top 28 submissions received this year New Waves in Innovation Management Research is organized into six thematic sections that cover areas such as investments collaboration and creativity Presenting a broad range of case studies and data from across

global this edited volume illustrates the breadth of research potential in the coming wave of innovation management This book will be of interest to students researchers and professional managers alike who are interested in or actively involved in the latest research on innovation management

Research Regarding the Influence of Social Media on the Quality of Services in the Sharing Economy Sonia Budz,2023-08-21 The paper coordinated by Prof Dr Bogdan Cristian Onete is a topical subject in the context of the present informational era It suggests a distinct approach regarding social media and the peer to peer platforms from the perspective of the quality of services and collaborative consumption The research of the paper includes a quantitative research regarding the implications of peer to peer platforms concerning the consumer and a qualitative research with regards to social media and its degree of influence on the quality of services This research presents many interesting findings regarding the consumer perception of quality of services in the context of the sharing economy These findings are valuable for all parties working in the domain of the sharing economy or collaborative consumption

Frugal Innovation in Entrepreneurship Manna, Reshmi,Singh, Ankit,2025-04-30 Entrepreneurs face numerous challenges in today s rapidly evolving business landscape including limited resources uncertain markets and increasing competition Conventional approaches to innovation often require substantial investments and advanced technology making them inaccessible to many entrepreneurs particularly those in developing nations This disparity in access to innovation tools and strategies can hinder the growth and success of small and medium sized enterprises SMEs worldwide Frugal Innovation in Entrepreneurship steps in as a valuable resource for entrepreneurs policymakers practitioners and researchers seeking to understand and capitalize on the advantages of frugality in entrepreneurial environments It aims to democratize innovation making it available to a broader range of entrepreneurs especially those in developing nations By providing actionable insights and practical guidance Frugal Innovation in Entrepreneurship contributes to the ongoing discussion on frugal innovation and its role in promoting sustainable entrepreneurship worldwide

The New Production of Users Sampsa Hyysalo,Torben Elgaard Jensen,Nelly Oudshoorn,2016-04-20 Behind the steady stream of new products technologies systems and services in our modern societies there is prolonged and complicated battle around the role of users How should designers get to know the users interests and needs Who should speak for the users How may designers collaborate with users and in what ways may users take innovation into their own hands The New Production of Users offers a rare overview of these issues It traces the history of designer user relations from the era of mass production to the present days Its focus lies in elaborating the currently emerging strategies and approaches to user involvement in business and citizen contexts It analyses the challenges in the practical collaborations between designers and users and it investigates a number of cases where groups of users collectively took charge of innovation In addition to a number of new case studies the book provides a thorough account of theories of user involvement as well as and offers further developments to these theories As a part of this the book relates to the wide spectrum of fields currently associated with user involvement such as user centered design

participatory design user innovation open source software cocreation and peer production Exploring the nexus between users and designers between efforts to democratize innovation and to mobilize users for commercial purposes this multi disciplinary book will be of great interest to academics policy makers and practitioners in fields such as Innovation Studies Innovation Policy Science and Technology Studies Cultural Studies Consumption studies Marketing e commerce Media Studies as well as Design research

Online Intermediaries for Co-Creation Christoph W. Künne, 2017-05-15 This book investigates the powerful role of online intermediaries which connect companies with their end customers to facilitate joint product innovation Especially in the healthcare context such intermediaries deploy interactive online platforms to foster co creation between engaged healthcare consumers and innovation seeking healthcare companies In three empirical studies this book outlines the key characteristics of online intermediaries in healthcare their distinct strategies and the remaining challenges in the field Readers will also be introduced to the stages companies go through in adopting such co created solutions As such the work appeals for both its academic scope and practical reach

Information Diffusion Management and Knowledge Sharing: Breakthroughs in Research and Practice Management Association, Information Resources, 2019-10-11 Within the past 10 years tremendous innovations have been brought forth in information diffusion and management Such technologies as social media have transformed the way that information is disseminated and used making it critical to understand its distribution through these mediums With the consistent creation and wide availability of information it has become imperative to remain updated on the latest trends and applications in this field Information Diffusion Management and Knowledge Sharing Breakthroughs in Research and Practice examines the trends models challenges issues and strategies of information diffusion and management from a global context Highlighting a range of topics such as influence maximization information spread control and social influence this publication is an ideal reference source for managers librarians information systems specialists professionals researchers and administrators seeking current research on the theories and applications of global information management

Environmental Management Accounting Christian Herzig, Tobias Viere, Stefan Schaltegger, Roger L. Burritt, 2012-03-15 Sustainable development will not happen without substantial contributions from and leading roles of companies and business organizations This requires the provision of adequate information on corporate social and ecological impacts and performance For the last decade progress has been made in developing and adapting accounting mechanisms to these needs but significant work is still needed to tackle the problems associated with conventional accounting Until recently research on environmental management accounting EMA has concentrated on developed countries and on cost benefit analysis of implementing individual EMA tools Using a comparative case study design this book seeks to redress the balance and improve the understanding of EMA in management decision making in emerging countries focussing specifically on South East Asian companies Drawing on 12 case studies taken from a variety of industries Environmental Management Accounting Case Studies of South East Asian Companies

explores the relationship between decision situations and the motivation for and barriers to the application of clusters of EMA tools as well as the implementation process itself This book will be useful to scholars interested in the environmental and sustainability management accounting research field and those considering specific approaches to EMA within emerging economies **Emerging Issues And Trends In Innovation And Technology Management** Alexander Brem,2021-10-25 This book is a compilation of papers published in International Journal of Innovation and Technology Management The chapters in the book focus on recent developments in the field of innovation and technology management Carefully selected on the basis of relevance rigor and research the chapters in the book take the readers through various emerging topics and trends in the field Written in a simple and accessible manner the chapters in this book will be of interest to academics practitioners and general public interested in knowing about emerging trends in innovation and technology management **Free Innovation** Eric Von Hippel,2016-11-18 A leading innovation scholar explains the growing phenomenon and impact of free innovation in which innovations developed by consumers and given away for free In this book Eric von Hippel author of the influential Democratizing Innovation integrates new theory and research findings into the framework of a free innovation paradigm Free innovation as he defines it involves innovations developed by consumers who are self rewarded for their efforts and who give their designs away for free It is an inherently simple grassroots innovation process unencumbered by compensated transactions and intellectual property rights Free innovation is already widespread in national economies and is steadily increasing in both scale and scope Today tens of millions of consumers are collectively spending tens of billions of dollars annually on innovation development However because free innovations are developed during consumers unpaid discretionary time and are given away rather than sold their collective impact and value have until very recently been hidden from view This has caused researchers governments and firms to focus too much on the Schumpeterian idea of innovation as a producer dominated activity Free innovation has both advantages and drawbacks Because free innovators are self rewarded by such factors as personal utility learning and fun they often pioneer new areas before producers see commercial potential At the same time because they give away their innovations free innovators generally have very little incentive to invest in diffusing what they create which reduces the social value of their efforts The best solution von Hippel and his colleagues argue is a division of labor between free innovators and producers enabling each to do what they do best The result will be both increased producer profits and increased social welfare a gain for all **Sustainable Logistics** Joanna Domagała,Aleksandra Górecka,Monika Roman,2022-12-08 Logistics refers to the processes that start with resources and their acquisition storage and transportation to their destination The concept is crucial in business particularly for the manufacturing sector to understand manage and control how resources are handled and progress through the whole supply chain Now there is a strong trend to focus on sustainability and eco friendly solutions in logistics Processes based on both technology and management need innovations and detailed implementation steps to achieve a satisfactory level of

sustainability This book explores how and where innovations can be implemented to provide a wide approach to sustainability in logistics It addresses the main challenges affecting modern and sustainable logistics and supply chains and is organized according to six main themes supply chain management information intelligent hubs e g warehouse and cities sustainable transportation technology for logistics reverse logistics and city logistics The key results presented are based on both extensive types of research and business cases The overarching advanced logistics and supply chain concepts at the heart of this book contribute to a sustainable intelligent logistics and transport system by making it more efficient reliable environmentally friendly and competitive Essentially this book presents the most current research related to sustainability in logistics activities and addresses the theoretical background of sustainability and its significance for logistics the challenges in supply chains and transportation and possible solutions for more sustainable logistics systems

Swiss Journal Of Business Research And Practice Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Swiss Journal Of Business Research And Practice free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Swiss Journal Of Business Research And Practice free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Swiss Journal Of Business Research And Practice free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Swiss Journal Of Business Research And Practice. In conclusion, the internet offers numerous platforms and websites that allow

users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Swiss Journal Of Business Research And Practice any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Swiss Journal Of Business Research And Practice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Swiss Journal Of Business Research And Practice is one of the best book in our library for free trial. We provide copy of Swiss Journal Of Business Research And Practice in digital format, so the resources that you find are reliable.
