

Basketball

Courtside Chronicles

Upon the court, where sneakers squeak and slide,
The ball in flight, hopes soaring just as high.
Each pass and play, an artistry inside,
A dance of fierce resolve beneath the sky.

Defenders leap, their shadows merge and twist,
Offense with skill, they weave and they persist.
The clock ticks down, each second does insist,
A shot is made, a moment not to be missed.

From start to end, the players tell a tale,
Of sweat, of dreams, of wins, and some fails.
But in each game, their spirits never frail,
For in their heart, the love for hoops prevails.

Handbook of Research on Children's and Young Adult Literature Shelby Wolf, Karen Coats, Patricia

Enciso, Christine Jenkins, 2011-04-27 This multidisciplinary handbook pulls together in one volume the research on children's and young adult literature which is currently scattered across three intersecting disciplines education English and library and information science

Popular Educator, 1923

Branch Rickey Lee Lowenfish, 2022-08-15 He was not much of a player and not much more of a manager but by the time Branch Rickey 1881 1965 finished with baseball he had revolutionized the sport not just once but three times In this definitive biography of Rickey the man sportswriters dubbed The Brain The Mahatma and on occasion El Cheapo Lee Lowenfish tells the full and colorful story of a life that forever changed the face of America's game As the mastermind behind the Saint Louis Cardinals from 1917 to 1942 Rickey created the farm system which allowed small market clubs to compete with the rich and powerful Under his direction in the 1940s the Brooklyn Dodgers became truly the first America's team By signing Jackie Robinson and other black players he single handedly thrust baseball into the forefront of the civil rights movement Lowenfish evokes the peculiarly American complex of God family and baseball that informed Rickey's actions and his accomplishments His book offers an intriguing richly detailed portrait of a man whose life is itself a crucial chapter in the history of American business sport and society James Still

Carol Boggess, 2017-10-27 James Still 1906 2001 first achieved national recognition in the 1930s as a poet and he remains one of the most beloved and important writers in Appalachian literature Though he is best known for the seminal novel *River of Earth* which Time magazine called a work of art and which is often compared to John Steinbeck's *The Grapes of Wrath* as a poignant literary exploration of the Great Depression Still is also recognized as a significant writer of short fiction His stories were frequently published in outlets such as the Atlantic and the Saturday Evening Post and won numerous awards including the O Henry Memorial Prize In the definitive biography of the man known as the dean of Appalachian literature Carol Boggess offers a detailed portrait of Still Despite his notable output and importance as a mentor to generations of young writers Still was extremely private preferring a quiet existence in a century old log house between the waters of Wolfpen Creek and Dead Mare Branch in Knott County Kentucky Boggess who befriended the author in the last decade of his life draws on correspondence journal entries numerous interviews with Still and his family and extensive archival research to

illuminate his somewhat mysterious personal life James Still A Life explores every period of Still s life from his childhood in Alabama through the years he spent supporting himself in various odd jobs while trying to build his literary career to the decades he spent fostering other talents This long overdue biography not only offers an important perspective on the author s work and art but also celebrates the legacy of a man who succeeded in becoming a legend in his own lifetime

Literature X. J. Kennedy,1979

As recognized, adventure as with ease as experience virtually lesson, amusement, as with ease as conformity can be gotten by just checking out a book **Syllable Sonnets About Basketball** also it is not directly done, you could acknowledge even more with reference to this life, something like the world.
