

NatGeo ELT, a part of Language Learning, and National Geographic have partnered to create English language learning materials which bring our world and its different cultures to life. Through the wide range of titles created under this initiative, we are together changing the way the world learns English.

Founded in 1895 to "open people's eyes about the globe", the National Geographic Society is one of the world's largest scientific, scientific and educational organizations. It reaches more than 300 million people in more than 34 languages through its magazines, books, TV, educational media, maps, films, and more. Through these activities have funded more than 5,000 scientific, conservation, and educational projects around the world.

book contains two volumes previously only available separately. It contains forty individual Scripture Studies. Each study focuses on one general area of study. These studies enable individuals or groups to do in-depth topical studies of the Bible. They are also invaluable to the Bible study teacher in preparing lessons. This book is divided into two Volumes. Volume I covers the essential doctrines of the Christian faith. It is these doctrines that separate the true Christian faith from cultic and other deviations. Included here are studies on such essential doctrines as the authority and reliability of the Scriptures, the attributes of God, the Trinity, and forgiveness and salvation. Volume II of this book then covers controversial theologies, cults, and ethics. Included here are studies on Catholicism, Calvinism, baptism, end time prophecy, Jehovah's Witnesses, Mormonism, sexual issues, church issues, and many more topics.
