World Class Contracting Gregory Garrett:

World Class Contracting Gregory A. Garrett, 2006-11-17 In today's highly specialized business world many organizations are outsourcing to strategic partners in an effort to cut costs while maintaining good customer relations. Because their reputation is on the line, these companies must carefully manage partnership agreements, procurement solutions, and integrated supply chains to meet the exacting expectations of customers. A strong contract management program is paramount to companies that outsource, paving the way to stronger and more efficient business relationships that enhance rather than reduce the bottom line. *World Class Contracting* can help you gain a thorough understanding of the contracting process. Whether you are buying or selling contracts, this book will prove an invaluable desktop resource. The Fourth Edition of *World Class Contracting* adds three powerful chapters to the book. The three new chapters include The Contract Management Senior Executive Assessment Tool, the Contract Management Maturity Model (CMMM), and a comprehensive discussion of Enterprise Contract Management, including independent assessments of six of the leading Enterprise Contract Management Software Applications. In addition, the Fourth Edition includes an expanded discussion of international contract management issues, an expanded review of the leading Contract Management associations (NCMA, ISM, IACCM), updated discussions of contract management professional certifications, updated Contract Management Forms and Tools. U.S. Military Program Management Gregory A. Garrett, 2006-12 An indispensable resource for all defense industry professionals, governmental, and commercial. Introducing the only book on the market offering valuable best practices and lessons learned for U.S. military program management. The U.S. Department of Defense and the related defense industry together form the largest and most powerful government and business entity in the world, developing some of the most expensive and complex major systems ever created. *U.S. Military Program Management* presents a detailed discussion from a multi-functional view of the ins and outs of U.S. military program management and offers recommendations for improving practices in the future. More than 15 leading experts present case studies, best practices, and lessons learned from the Army, Navy, and Air Force from both the government and industry contractor perspectives. This book addresses the key competencies of effective U.S. military program management in six comprehensive sections: Requirements management, Program leadership and teamwork, Risk and financial management, Supply chain management and logistics, Contract management and procurement, and Special topics. Managing Complex Outsourced Projects Gregory A. Garrett, 2005-03-01 The ever-changing world of outsourcing demands that project managers be adept at team building, meeting management, group-based problem solving, and conflict management. *Managing Complex Outsourced Projects* provides a comprehensive review of what it takes to successfully manage outsourced projects, resulting in improved performance and reduced expenses. Author Gregory A. Garrett discusses the concept of Integrated Project Management (IPM), which is the discipline of ensuring that appropriate practices, tools, and techniques are implemented by all parties involved in the outsourcing process. In *Managing Complex Outsourced Projects*, you

I find more than 400 tips and best practices over 40 forms and more than 20 case studies that depict how the most successful companies effectively manage outsourced complex projects *Managing Contracts - Project Controls Planning Planet*, The Managing Contracts Module is to introduce those tools techniques and methodologies for managing contracts that have been identified as being best tested and proven practices which have been found to work on most projects most of the time provide a logical or rational sequence showing when those tools or techniques would normally and customarily be used and in selected instances show how to use those tools techniques and or where to find additional information on how to use or apply them **Solicitations Bids Proposals & Source Sel** Gregory A.
