The Chairman A Novel:

The Chairman Stephen Frey, 2005-03-29 No one knows the dark side of The Street better than master storyteller Stephen Frey author of such riveting novels as Shadow Account and The Day Trader Now in his most ambitious work to date Frey proves that no writer can put a high powered hero at greater risk nor offer readers more thrilling rewards A towering legend among New York private equity partnerships Everest Capital is aptly named When its founder meets an untimely death thirty six year old superstar Christian Gillette gets the top job But with the power and prestige come risks The day he narrowly escapes a fiery explosion that consumes his limo and takes two innocent lives Gillette instantly understands how intense those risks are It comes as no surprise to him that he has enemies in the world of multibillion dollar deals But now that he controls Everest he is not going to let those enemies keep him from taking the firm and himself to even greater heights Gillette has never hesitated to be aggressive even ruthless in his pursuit of success This time will be no exception But in order to forge the alliances necessary to achieve his goals Gillette forsakes a cardinal rule Never trust anyone The only certainties are the insidious campaign of corporate sabotage that could cost Gillette his job and the relentless assassination attempts that could cost him his life To break a deadly conspiracy of greed he will be forced to walk then run an ever blurring line between loyalty and betrayal attack and retreat survival and destruction in the ultimate game of profit and loss With The Chairman Stephen Frey presides with intensified skill over the market he has so dramatically cornered sharpening his patented brand of hard boiled high finance intrigue to its keenest cutting edge yet **The Chairman** Mark M.

Quinn, 2009-10-13 Not a typical book of historical fiction this fascinating debut unveils the dark underbelly of local big city ward politics in a collection of anecdotes woven into a devious Machiavellian plot **The Chairman's Challenge** Mark M.

Quinn, 2010-11-02 Machine politics is a tough business filled with people who put far more value on power and money than on honor friendship or the lives of those who challenge them Atop this maelstrom sits Chairman Eamon DeValera Collins formerly the undisputed boss of the Irish Catholic Fifteenth Ward and now the man who controls the entire city In this position he finds himself surrounded by opportunists amateurs criminals thieves and cold blooded killers Those he can trust are few and far between and they are far outnumbered those who would attempt to use their connection to him to eliminate their enemies and line their own pockets While only one former ally is sufficiently tough or crazy enough to directly challenge his leadership the Chairman will stop at nothing to put down any challenger In The Chairmans Challenge the sequel to The Chairman A Novel of Big City Politics award winning writer Mark M Quinn takes the reader on a sometimes dark but always thought provoking tour of the ins and outs of a political machine Its a brutal examination of the minds of men and women who will sacrifice anything or anyone for a chance at power The Successor Stephen Frey, 2008-02-26 Make or break decisions involving millions of dollars are all in a day's work for Christian Gillette chairman of Everest Capital New York's most renowned private equity firm He is taken on the toughest most powerful and often most dangerous adversaries and

prevailed all the while honing his skill for being cool under fire literally But now Gillette will be put to the ultimate test He s offered the chance to seal a deal unlike any other one that goes beyond boardrooms balance sheets and even Everest itself one that will leave its mark on history Gillette is no stranger to Jesse Wood the first African American president of the United States having been Wood s chosen running mate in his historic bid for the White House Though still slightly upset over being dropped from the ticket at the eleventh hour Gillette s not about to ignore the chief executive s summons to a top secret meeting at Camp David There Wood drops a bombshell The president of Cuba is dead Cuba s communist regime has kept the dictator s demise hush while it races to fill the power vacuum And the United States is poised to support a cabal of Cuban professionals plotting a coup The President wants Gillette to meet with the conspirators and size up the chances for a successful capitalist revolution But by no means can his mission be traced back to the White House If anything goes wrong Gillette is on his own And if certain people have their way something will go wrong For the conspiracy to liberate Cuba isn t the only one afoot Enemies in high places who will go to any lengths to wreak revenge on Gillette and to unseat President Wood have set in motion a campaign of deception sabotage and murder whose shockwaves will resonate from the streets of Havana to the Oval Office But for Gillette who has just named his alluring and ambitious protégé Allison Wallace as his successor at Everest the greatest peril may lie much closer to home The Successor is blue chip Stephen Frey marshaling his flawless instincts for edgy provocative breathtaking suspense with a master s touch
