The Christian Citizen In Modern America:

The Christian Citizen in Modern America David Craig, 2014-10-30 The Christian Citizen in Modern America is a simple guide for how we live as citizens of two kingdoms the kingdom of this world and the Kingdom of heaven Through a series of essays Dr Craig outlines the Christian response to a variety of issues and topics facing the Church in America today

Sylvanus Diel, 2007-08 Exposing the evil in government the country and churches Diel also suggests ways to correct the situation improve life in general and bring unity to the faith Practical Life **Reimagining the Republic** Sandra M. Gustafson, Robert Levine, 2022-12-20 Albion W Tourg e 1838 1905 was a major force for social legal and literary transformation in the second half of the nineteenth century Best known for his Reconstruction novels *A Fool's Errand* 1879 and *Bricks without Straw* 1880 and for his key role in the civil rights case *Plessy v Ferguson* 1896 challenging Louisiana's law segregating railroad cars Tourg e published more than a dozen novels and a volume of short stories as well as nonfiction works of history law and politics This volume is the first collection focused on Tourg e's literary work and intends to establish his reputation as one of the great writers of fiction about the Reconstruction era arguably the greatest for the wide historical and geographical sweep of his novels and his ability to work with multiple points of view As a white novelist interested in the rights of African Americans Tourg e was committed to developing not a single Black perspective but multiple Black perspectives sometimes even in conflict The challenge was to do justice to those perspectives in the larger context of the story he wanted to tell about a multiracial America The seventeen essays in this volume are grouped around three large topics race citizenship and nation The volume also includes a Preface Introduction Afterword Bibliography and

Chronology providing an overview of his career This collection changes the way that we view Tourg e by highlighting his contributions as a writer and editor and as a supporter of African American writers Exploring the full spectrum of his literary works and cultural engagements Reimagining the Republic Race Citizenship and Nation in the Literary Work of Albion Tourg e reveals a new Tourg e for our moment of renewed interest in the literature and politics of Reconstruction **Christian Citizenship in the Middle East** Mohammed Girma,Cristian Romocea,2017-07-21 Christians living in Muslim majority states face a difficult question should they retreat from public life join in culturally while confining their Christian practice or approach the system in a critically engaged way as Christians These essays use the vision of citizenship presented in the New Testament to show how the latter is possible **Christian Citizens** Elizabeth L. Jemison,2020-10-07 With emancipation a long battle for equal citizenship began Bringing together the histories of religion race and the South Elizabeth L Jemison shows how southerners black and white drew on biblical narratives as the basis for very different political imaginaries during and after Reconstruction Focusing on everyday Protestants in the Mississippi River Valley Jemison scours their biblical thinking and religious attitudes toward race She argues that the evangelical groups that dominated this portion of the South shaped contesting visions of black and white rights Black evangelicals saw the argument for their identities as Christians and as fully endowed citizens supported by their readings of both the Bible and U S law The Bible as they saw it prohibited racial hierarchy and Amendments 13 14 and 15 advanced equal rights Countering this white evangelicals continued to emphasize a hierarchical paternalistic order that shorn of earlier justifications for placing whites in charge of blacks now fell into the defense of an increasingly violent white supremacist social order They defined aspects of Christian identity so as to suppress black equality even praying as Jemison documents for wisdom in how to deny voting rights to blacks This religious culture has played into remarkably long lasting patterns of inequality and segregation Christian Citizenship Edward Shillito,1924 *Revolutionary Christian Citizenship* John Howard Yoder,2013-09-13 In a world where many believers have lost a sense of their true home in God s alternative society Revolutionary Christian Citizenship addresses the difficulties of being both a follower of Jesus and a citizen of a political nation Down to earth and original theologian John Howard Yoder challenges traditional understanding of politics and reconsiders Christian citizenship in three parts the witness of Jesus the witness of the church and witness in action More accessible and practical than most of Yoder s works Revolutionary Christian Citizenship bridges the gap between faith and politics equipping us to faithfully represent Christ in society and wage peace in a world of war Book Two in the Yoder for Everyone series Free downloadable study guide available here **The Christian in Contemporary Nigerian Society** Musa Adziba Mambula,2016-12-21 This book exposes the overwhelming arrays of challenges that Christians face in the 21st century Nigeria The purpose of this book is to consider these challenges and suggest means of meeting them In this book Christians are charged with living in such a manner as to contribute to the health and strength of their society The book examines the extent to which the family depends upon the Church and its

ministry for guidance and support in creating a healthy and moral atmosphere in the home This book explains how the theological training of Pastors plays a significant role in society Together families and Pastors leaders from every facet of life could be joined together in the mission to create a healthy society The book sees religious violence in Nigeria with emphasis on conflict resolution The church has a responsibility to lead the nation in presenting peaceful resolutions to all forms of violence whether in the home the community or nationally Following closely on the issue of religious violence is that of corruption at all levels from personal to political Lastly the physical health of the individual and community is of vital interest to all This book considers and examines the role of the Christian in Contemporary Nigerian Society with a view to taking responsibility in meeting the challenges and contributing to the solutions This book reminds the Christian that he or she is not alone he or she is but one part in the overall picture of a nation struggling to take its place in the 21st century world
