The Circular Study Anna Katharine Green, 2018-10-23 The Circular Study Large Print by Anna Katharine Green Passing on he came unexpectedly upon a narrow curtain so dark of hue and so akin in pattern to the draperies on the adjoining walls that it had up to this time escaped his attention It was not that of a window for such windows as were to be seen in this unique apartment were high upon the wall indeed almost under the ceiling It must therefore drape the opening into still another communicating room And such he found to be the case Pushing this curtain aside he entered a narrow closet containing a bed a dresser and a small table The

bed was the narrow cot of a bachelor and the dresser that of a man of luxurious tastes and the utmost nicety of habit Both the bed and dresser were in perfect order save for a silver backed comb which had been taken from the latter and which he presently found lying on the floor at the other end of the room     The Circular Study Anna Katharine Green,1900     The Circular Study Anna Katharine Green (Illustrated) Anna Katharine Green,2021-10-22 An early innovator in the detective fiction genre author Anna Katherine Green gained acclaim for her careful attention to detail and accuracy     The Circular Study (Large Print) Anna Katharine Green,2015-05-05 Mr Gryce was melancholy He had attained that period in life when the spirits flag and enthusiasm needs a constant spur and of late there had been a lack of special excitement and he felt dull and superannuated He was even contemplating resigning his position on the force and retiring to the little farm he had bought for himself in Westchester and this in itself did not tend to cheerfulness for he was one to whom action was a necessity and the exercise of his mental faculties more inspiring than any possible advantage which might accrue to him from their use But he was not destined to carry out this impulse yet For just at the height of his secret dissatisfaction there came a telephone message to Headquarters which roused the old man to something like his former vigor and gave to the close of this gray fall day an interest he had not expected to feel again in this or any other kind of day It was sent from Carter s well known drug store and was to the effect that a lady had just sent a boy in from the street to say that a strange crime had been committed in s mansion round the corner     The Circular Study Katharine Anna Green,2009-01-01     The Circular Study Green Anna Katharine,2023-05 Detective Gryce is called upon to determine the how and why of the man s murder if it is truly a murder when he is discovered dead in the study of his New York City home In order to find out what happened to the victim Gryce must look into the significance of the few evidence including the screams of a talking bird with the help of Miss Amelia Butterworth It will take two families and many generations to solve this crime Author Anna Katharine Green was an early inspiration for Agatha Christie and is often referred to as the mother of the detective novel     The Circular Study (illustrated) Anna Katharine Green,2020-09-10 Excerpt Mr Gryce was melancholy He had attained that period in life when the spirits flag and enthusiasm needs a constant spur and of late there had been a lack of special excitement and he felt dull and superannuated He was even contemplating resigning his position on the force and retiring to the little farm he had bought for himself in Westchester and this in itself did not tend to cheerfulness for he was one to whom action was a necessity and the exercise of his mental faculties more inspiring than any possible advantage which might accrue to him from their use     **The Circular Study** Anna Katharine G.
