The Civil War Out My Window:

The Civil War Out My Window Jeremy Farley, 2014-11-29 The daughter of Joseph Henry one of America's most renowned scientists Mary Henry was 21 years old when her family moved into the only castle in Washington D C the Smithsonian Institution Building A prolific writer and astute observer Mary began recording a diary in 1858 including a daily log of her personal reflections events at the Smithsonian and conversations she had shared with many of the most influential leaders in America It would have been impossible for the youthful lady filled with juvenile yearnings and wanderlust to have imagined the unspeakable horrors that would soon fill the pages of her blank diary as she penned her first entry in November 1858 Mary's entries include personal conversations with Abraham Lincoln General Ulysses S Grant common citizens and captured southern troops A staunch unionist and American patriot the young woman's diary reveals the incredible dilemma held by millions of Americans throughout the war between the states as she often sympathized with the southern plight mourned Confederate casualties and criticized the Lincoln administration's every move Though her writings provide one of the greatest insights into the Civil War in the past quarter century Mary's diary is far more than a collection of random thoughts on matters of science and politics Her diary is a story of both a young woman and a struggling nation coming to age in the latter half of the nineteenth century

The War Outside My Window Janet Elizabeth Croon, 2022-05-20 A remarkable account of the collapse of the Old South and the final years of a young boy's privileged but afflicted life LeRoy Wiley Gresham was born in 1847 to an affluent slave holding family in Macon Georgia After a horrific leg injury left him an invalid the educated inquisitive perceptive and exceptionally witty twelve year old began keeping a diary in 1860 just as secession and the Civil War began tearing the country and his world apart He continued to write even as his health deteriorated until both the war and his life ended in 1865 His unique manuscript of the demise of the Old South is published here for the first time in **The War Outside My Window** LeRoy read books devoured newspapers and magazines listened to gossip and discussed and debated important social and military issues with his parents and others He wrote daily for five years putting pen to paper with a vim and tongue in cheek vigor that impresses even now more than 150 years later His practical philosophical and occasionally Twain like hilarious observations cover politics and the secession movement the long and increasingly destructive Civil War family pets a wide variety of hobbies and interests and what life was like at the center of a socially prominent wealthy family in the important Confederate manufacturing center of Macon The young scribe often voiced concern about the family's pair of plantations outside town and recorded his interactions and relationships with servants as he pondered the fate of human bondage and his family's declining fortunes Unbeknownst to LeRoy he was chronicling his own slow and painful descent toward death in tandem with the demise of the Southern Confederacy He recorded often in horrific detail an increasingly painful and debilitating disease that robbed him of his childhood The teenager's declining health is a consistent thread coursing through his fascinating journals I feel more discouraged and less hopeful about getting

well than I ever did before he wrote on March 17 1863 I am weaker and more helpless than I ever was Morphine and a score of other remedies did little to ease his suffering Abscesses developed nagging coughs and pain consumed him Alternating between bouts of euphoria and despondency he often wrote Saw off my leg The War Outside My Window edited and annotated by Janet Croon with helpful footnotes and a detailed family biographical chart captures the spirit and the character of a young privileged white teenager witnessing the demise of his world even as his own body slowly failed him Just as Anne Frank has come down to us as the adolescent voice of World War II LeRoy Gresham will now be remembered as the young voice of the Civil War South Winner 2018 The Douglas Southall Freeman Award *The War Outside My Window - the Civil War Diary of Leroy Wiley Gresham, 1860-1865* Kimberly Conrad, Janet E. Croon, 2020-05-19 This complete curriculum guide assists educators in bringing LeRoy Wiley Gresham to life in the middle or high school classroom Use his Young voice of the old South to guide your students through a comprehensive Civil War study as he did in his diary starting at the age of twelve and ending with his death at seventeen years old This resource includes rigorous standards aligned ELA and history lessons Common Core Standards extensive interdisciplinary connections across various content areas Interactive Notebook Applications dynamic mapping activities detailed discussion topics for Socratic Seminar a multi genre unit standards aligned assessments connections to other primary documents and literature and so much more This companion resource accompanies LeRoy s diary found in The War Outside My Window young readers edition seamlessly while providing teachers the framework through which to challenge and engage students with thoughtful and enriching learning opportunities

I Am Perhaps Dying Dennis A. Rasbach, 2018-04-26 Invalid teenager Leroy Wiley Gresham left a seven volume diary spanning the years of secession and the Civil War 1860 1865 He was just 12 when he began and he died at 17 just weeks after the war ended His remarkable account recently published as The War Outside My Window The Civil War Diary of LeRoy Wiley Gresham 1860 1865 edited by Janet E Croon 2018 spans the gamut of life events that were of interest to a precocious and well educated Southern teenager including military political religious social and literary matters of the day This alone ranks it as an important contribution to our understanding of life and times in the Old South But it is much more than that Chronic disease and suffering stalk the young writer who is never told he is dying until just before his death Dr Rasbach a graduate of Johns Hopkins medical school and a practicing general surgeon with more than three decades of experience was tasked with solving the mystery of LeRoy s disease Like a detective Dr Rasbach peels back the layers of mystery by carefully examining the medical related entries What were LeRoy s symptoms What medicines did doctors prescribe for him What course did the disease take month after month year after year The author ably explores these and other issues in I Am Perhaps Dying to conclude that the agent responsible for LeRoy s suffering and demise turns out to be Mycobacterium tuberculosis a tiny but lethal adversary of humanity since the beginning of recorded time In the second half of the nineteenth century tuberculosis was the deadliest disease in the world accounting for one third of all deaths Even today a quarter of the world s population is

infected with TB and the disease remains one of the top ten causes of death claiming 1.7 million lives annually mostly in poor and underdeveloped countries. While the young man was detailing the decline and fall of the Old South he was also chronicling his own horrific demise from spinal TB. These five years of detailed entries make LeRoy's diary an exceedingly rare and perhaps unique account from a nineteenth century TB patient. LeRoy's diary offers an inside look at a fateful journey that robbed an energetic and likeable young man of his youth and life. *I Am Perhaps Dying* adds considerably to the medical literature by increasing our understanding of how tuberculosis attacked a young body over time, how it was treated in the middle nineteenth century, and the effectiveness of those treatments. **Southern Cross** Amanda Low Warren, 2024-05-23

Lieutenant General Leonidas Polk was a distinguished West Point graduate, the first Episcopal Bishop of Louisiana, a university founder, and a Confederate commander beloved by his troops, esteemed by the public, and killed on the field of battle. In spite of his many accomplishments, historians invariably disparage Polk's generalship and even his personal character, but is their treatment fair or accurate? This work employs a balanced perspective to shed new light on Polk's military leadership and reveal unexpected truths that explain his conflict with General Braxton Bragg. A seemingly insignificant piece of correspondence, along with an exploration of both men's writings, coalesces into an understanding of the root cause of the command dysfunction and chronic failures of the Army of Tennessee. Wendell Berry: Port William Novels & Stories: The Civil War to World War II (LOA #302) Wendell Berry, 2018-01-30. Library of America inaugurates its edition of the complete fiction of one of America's most beloved living writers. For more than fifty years, in eight novels and forty-two short stories, Wendell Berry, b. 1934, has created an indelible portrait of rural America through the lens of Port William, Kentucky, one of the most fully imagined places in American literature. Taken together, these novels and stories form a masterwork of American prose: straightforward, spare, and lyrical. Now, for the first time, in an edition prepared in consultation with the author, Library of America is presenting the complete story of Port William in the order of narrative chronology. This first volume, which spans from the Civil War to World War II, gathers the novels *Nathan Coulter* (1960, revised 1985), *A Place on Earth* (1967, revised 1983), *A World Lost* (1996), and *Andy Catlett's Early Travels* (2006), along with twenty-three short stories, among them such favorites as *Watch With Me*, *Thicker than Liquor*, and *A Desirable Woman*. It also features a newly researched chronology of Berry's life and career, a map, and a Port William Membership family tree and helpful notes. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries. *The Civil War and Reconstruction* Stanley Harrold, 2007-11-28. This new volume deals with two momentous and interrelated events in American history: the American Civil War and Reconstruction, and offers students a collection of essential documentary sources for

these periods Provides students with over 60 documents on the American Civil War and Reconstruction Includes presidential addresses official reports songs poems and a variety of eyewitness testimony concerning significant events ranging from 1833 1879 Contains an informative introduction focused on the kinds of materials available and how historians use them Each chapter ends with questions designed to help students engage with the material and to highlight key issues of historical debate

The Blue and the Gray, Or, The Civil War as Seen by a Boy A. R. White, 1899 I Am Abraham: A Novel of Lincoln and the Civil War Jerome Charyn, 2014-02-03 Traces the historic arc of Lincoln's life from his picaresque days as a gangly young lawyer in Sangamon County Illinois through his improbable marriage to Kentucky belle Mary Todd to his 1865 visit to war shattered Richmond only days before his assassination The Exile Mark Ames, Matt Taibbi, 2000 The eXile is the controversial tabloid founded by Ames and Taibbi that Rolling Stone has called cruel caustic and funny and a must read In the tradition of gonzo journalists like Hunter S Thompson the authors cover everything from decadent club scenes to the nation's collapsing political and economic systems no one is spared Illustrations The Coming of Cain Daniel Rose, 2014-12-09 They say you can't go home again but Louisa Banks is determined to try Intent on caring for her brother's two teenagers while he is away in jail she returns to the family farm in West Virginia It is a difficult homecoming made worse by crash and burn memories and self-induced poverty Still she perseveres and eventually becomes involved in small town politics and a militant Ganga grower who moonlights as a writer This explosive combination pushes her to her limits and yet results in self discovery and a new direction Hers is a story that boomerangs back on itself and meets the reader head on
