The Clone Who Loved To Swim The Nesrady Clones 3:

The Clone Who Loved to Swim M. G. Lewis, 2015-01-14 Bret Gawain was a very lucky boy At least he and his brones thought so after Annabelle gave them a home Mrs Grossmeyer was mean and Mattie might be fun but he wasn't parent material Of course after Annabelle died they were lucky once again when Stephen took them in The outside world might be a scary place but none of the discontent and rage felt by the Non corporate Citizens the Noncos intruded into Stephen's estate The People's Army might have captured St Louis but still none of the fear felt by the Corporate Citizens the Cozies found a chink in the armor of Stephen's Cozie Security He and Adam and Ewan should be happy They didn't know any of the other Nesrady clones created by Dr Escuniti so they were frightened when they turned thirteen and started seeing the sparklies They hadn't even known what a Precog was They had learned to accept the Precog sparklies and the shadows but there was something else Ewan saw it first but in time they all did It wasn't a dream it was like a faded memory but a memory of something that might happen The not dream remained scary Everyone and everything they knew could be destroyed They had to find their older brones they had to find John to make it right if it could be made right

The Clone Who Loved Voltaire M. Lewis, 2015-06-15 John Holt had never been a lucky man and he had the bullet hole scars to prove it He hated the Precog sparklies and he hated the dream and he hated being different but the dream was the worst The dream showed him the deaths of everyone he loved if he didn't act Or sometimes even if he did He didn't want to make a fuss but he didn't know what to do He was only weird John the soulless clone that Dr Escuniti had made in his lab the crazy clone with the silly kaleidoscopic dream That was the worst part How could he plan if he couldn't see what to do The Nonco People's Army and the Corps had been at war for years The Non Corporate Citizens the Noncos were trying to take control from the Corporate Citizens the Cozies The Noncos outnumbered the Cozies a hundred to one but the Cozies had the weapons and science and technology The Corps had held power for a century and wouldn't allow a Nonco rabble to defeat them One corp Dhar Scheele Medical had created a plague by resurrecting a virus from centuries earlier and had been almost ready to unleash it He had stopped them Temporarily But another corp Allied Defense also had a terrible weapon And all the death he saw in the shifting dream fragments came from that He was almost sure But he thought he saw a way to stop them if his brones Cole and Bret and Adam and Ewan helped him If the dream was true If he wasn't crazy like everyone thought

The Clone Who Loved to Fight M G Lewis, 2014-07-20 Cole was a Nesrady Clone created by Dr Escuniti to be almost identical to John and Aaron Almost You didn't have to kill him Cole Roscoe was kneeling beside the dead Flic trying to find a pulse He saw us checking out the place So I could have talked our way out of that I handled it He had seen the Flic heading toward them and the urge to fight him had taken over Roscoe wiped the blood off his hands using the Flic's uniform Yeah you handled it Man Now we have to go tonight or give up on the job and run for it They'll miss him Yeah they'll miss him Can't you control your anger Even a little bit It was getting harder and harder since the headaches had started The Flic was young not much older

than he was He shouldn't have killed him but he saw the fore image of the Flic coming at him and then the real Flic was swaggering toward him He'd thought about reaching for his knife and then it sort of looked like the sparkly image of the Flic had gone for his pistol and then he had been stabbing the Flic He didn't know how many times he'd stabbed him but there was a lot of blood I could have just punched him Roscoe said Or just smiled and done nothing and let me answer his questions There had been other sparklies other ways that it could have gone down In most of them the Flic had walked off Roscoe was still glaring at him Who the Hell was he Shut up You shut up or I'll cut you too Feeb He held the knife to Roscoe's throat He could see the sparklies and Roscoe didn't try to hurt him in any of the paths He should put the knife away but he couldn't just yet He pushed him against the wall Roscoe didn't say anything They just stood there chest to chest He could feel Roscoe breathing He didn't want to hurt Roscoe He closed his eyes and took a deep breath and then another He had to relax He stopped shoving the knife into Roscoe's throat He put it back in the sheath on his belt and stepped back He should tell Roscoe he was sorry but he couldn't just yet Roscoe said We have to get the body into the woods Right I'll do it They hid the body under some brush The sun was going down but it was still hot He was sweaty and his shirt was sticky with the young Flic's blood Roscoe said Are you up for this tonight Yeah Sure You figured out how to get in without setting off the alarms Yeah Come on You need to change your shirt He really did the smell was getting to him Okay It was finally dark but Roscoe was totally quiet for once Is it time yet Yeah by the time we get there it will be dark enough He wanted to tell Roscoe he was sorry About the Flic Yeah I shouldn't have killed him You couldn't help it No But maybe I can try harder next time Do that Cole Come on All those credits are just waiting for us The store wasn't very big but it was chock full of Allied Defense goodies They were lying on their bellies at the edge of the woods outside the fence It was still hot and bugs were everywhere The fireflies reminded him of the sparklies a little He could see the shadowy after image of the Flic heading to the back door and going inside There were a couple of lights in the yard so he could see that Roscoe was staring at him Cole Where's the Flic guard Inside He saw the first sparklies just forming that showed him coming out the door and heading off But he's coming out in a few minutes Roscoe smiled at him Good Then we timed it perfectly Ready Sure He had never said how he knew the stuff he knew and Roscoe had never asked You take my word for it Sure do I'll get the alarm as soon as he's out of sight Roscoe was smart but how could he know about the precog thing Unless his bones this Aaron and John had the ability too He had to move He could feel one of the headaches coming on and he would be helpless w
