The Gospel of the Fallen Angel Geraint Ap Iorwerth,2011-09-30 From humble beginnings as a private investigator in the Heavenly Court Satan worked his way up the career ladder to become God s Chief Prosecutor It wasn t long before he branched off and started his own global enterprise as Prince of The World The Gospel of The Fallen Angel is Satan s exclusive honest account of the life and times of his greatest adversary Jesus of Galilee When Jesus walked on earth he gave strict orders not to let anyone know who he was My minions couldn t help themselves They kept blurting it out I had better self control Until now After 2000 years I ve finally broken my silence Not bad going for the archetypal disobedient one Satan Geraint s The Gospel of The Fallen Angel is a first to tell the story of Jesus from Satan s perspective He tells the story of the real Jewish Jesus not the fictitious Christ of the Christian church A highly original clever often funny alternative view of the Gospels It has a lot to say about traditional Christianity that is interesting and uncomfortable Its appeal is its modern message about what it means to be human whether one is religious or not
