G. Squier, 2025-04-24 In *Waikna or Adventures on the Mosquito Shore* E. G. Squier immerses readers in the alluring yet treacherous landscape of Central America during the mid

19th century This narrative style intertwines vivid descriptions and rich characterizations echoing the Romantic literary movements of its time while providing an anthropological lens through which the intricacies of indigenous cultures and colonial encounters are explored Squier's depiction of the Mosquito Coast unveils a delicate balance between adventure and ethnography offering detailed observations that reflect both the romantic allure and the harsh realities of life in this neglected region

A Kid Who Became a Man Matteo Casciato, 2011-09-19 Alberto is the main personage in the novel and he represents 75 percent of the author's life He is a young man born from a very poor family Even so he is able to get two degrees a masters degree in French language and literature and an associate degree in business administration He started to attend the Orientale of Naples in Italy when he was twenty two years old In order to earn enough money to pay board lodging and the expenses to attend courses at the university he started to work in a private college He remained in Naples for two years Here while he was studying he founded together with other students a club and a magazine that started a struggle against the magnates of the university for the purpose of improving the teaching methodology When the struggle moved from the schools to the parliament Alberto decided to quit Italy and went to France He spent one year in Lyon as tutor in the Franco Canadienne college and three years in Nice teaching Italian language and culture in the Lycee Massena Ecole Normale Dante Alighieri Society and the Chamber of Commerce While he was teaching he also attended courses of French language and literature at the university and prepared himself for the exams in the Orientale of Naples During summer months he went to Spain in order to improve his knowledge of Spanish language and literature attending courses at the University of Saragoza in Jaca In France like in Spain he was admired and appreciated as a young man able to resolve any intricate matter easily and creatively He wanted to live his life intensely without ceasing to love his girlfriend with all his heart He had experienced several loving adventures that made him fall into a deep moral and spiritual crisis Alberto said I do not know anymore who I am I act against my own principles Influenced by the French culture he understood that those principles he called his own were indeed not his but only principles accepted by him or transmitted to him by his family his school his church his town Living in Paris Alberto understood that the only valid principles in our lives were those that we created or accepted after careful consideration From now on Alberto will work hard to create his own principles and to resolve his moral and spiritual crisis In order to succeed said Alberto it is not enough to say it you must do it Being equipped with a strong dose of determination self assurance and a lot of energy he began to discard all those principles in which he did not believe anymore retaining those in which he still believed and at the same time created new ones He said There are some principles that must be saved because they represent the foundation and the understanding of our Western civilization By now Alberto was aware of being what he always wanted to become a young man hungry to accomplish what he had initiated After three years of separation Alberto went to the United States in order to see Enza his girlfriend and he decided to marry her He returned to Nizza with Enza They had a first son They returned to Italy He completed his studies getting a masters

degree in French language and literature and went to live in the United States. Needing to support his family, he started to work in a bank and he remained there for thirty-five years, spending the first two achieving an associate degree in business administration. The author tells the life of Alberto from infancy to youth. In the entire novel, there are many descriptions of landscapes in particular of his native town. Alberto directly or indirectly lived the horrors of the two world wars: the occupation of his town first by the Germans then by the Allies. He visited Cassino, a city that had been razed to the ground by the bombers during the Second World War. Alberto also lived through the Fascist period and the political awakening of the great masses and their revolutionary agitations for the occupation.

Interdisciplinarity and Transdisciplinarity : Mapping the Episteme in Language and Literature Blossom N. Fondo, Magdaline B. Nkongho, this collection ponders on the ways language and literature have integrated other disciplines and how these disciplines have imprinted themselves on these two. It constitutes a diverse and rich compendium on what happens when language and literature not only reach out to each other but to other disciplines as well. It is thus a concrete appraisal of the interactions amongst and between disciplines.

Nfor Sessekou Professor Edward Oben Ako *Queens of Afrobeat* Dotun Ayobade, 2024-06-25. In *Queens of Afrobeat*, the women of Afrobeat music, a unique blend of jazz, soul, highlife, and West African rhythms, are finally given the recognition they deserve. This extensive study takes a multifaceted view of the storied lives of the women behind Fela Kuti's activist music. Dotun Ayobade's wide-ranging research pulls from interviews with surviving queens, ethnographic narratives, the exploration of newspaper archives, and close readings of album covers, photographs, and promotional materials to help us see and understand the women who surrounded Fela Kuti on stage and in everyday life. Not only were these artists crucial performers and backup singers for Kuti's most important compositions; they also played key roles in his activism and campaigns of social protest against the Nigerian government in the 1970s. Drawing on previously untapped material, *Queens of Afrobeat* weaves together an intricate narrative of women's participation in popular music. The stories of these remarkable women transform and uniquely personalize our understanding of the politics and performance of one of the major modern musical traditions in Africa.

Managing a Diverse Workforce Gary N. Powell, 2004-04-29. Now in its Second Edition, *Managing a Diverse Workforce* continues to provide a complete and comprehensive set of learning activities that address issues related to workplace diversity. Participation in these exercises leads to a greater appreciation of the wide range of issues that arise when people classify themselves or are classified by others as members of different groups on whatever basis. Over half of the 30 learning activities are new to this Second Edition.

understanding of what schooling is about and where it might be headed This book explores the role of popular culture in that
process The authors illustrate how powerful and suggestive images and ideas about teachers learning and other aspects of
schooling are constructed in the texts of various modes of popular culture As a basis for further inquiry the book describes
important tendencies and patterns in the representation of aspects of schooling It also provides examples of analytical
approaches and strategies for thinking about the significance of patterns with respect to questions of meaning power and
pedagogy in schooling practices At the interface of educational and cultural studies the book encourages inquiry into
mainstream popular culture and explores how this culture contributes to forms of discourse about the nature and direction of
