Corsi,2010-04-13 After a New Jersey priest has a near death experience he begins to resemble the image depicted on the Shroud of Turin prompting a skeptical Vatican representative to investigate the claim and subsequently question the assumptions he has held for so long THE PRIEST Brought back to life on an operating room table Father Paul Bartholomew is haunted by visions of Christ as Golgotha Then as he celebrates Mass blood starts running down his arms The horrified congregation watches him collapse his vestments soaked in the blood

pouring from wounds on his wrists. Mysteriously, he now resembles in almost every physical aspect the Christ-like figure represented on the Shroud of Turin.

THE SKEPTICS Worried lest Bartholomew's case be proved a hoax, the Vatican employs two prominent scientists to investigate. Dr. Stephen Castle, an American psychiatrist, is renowned for his book arguing that religion is a figment of human imagination. Professor Marco Gabrielli, an Italian religious researcher and chemist, has made a career of debunking supposed miracles.

THE MIRACLE For centuries, the Shroud of Turin has defied science. Is this ancient remnant truly Christ's burial cloth, or the biggest fraud ever perpetrated? When the priest's uncanny resemblance to the picture on the Shroud prompts Castle and Gabrielli to investigate the artifact itself, each is finally forced to face mysteries reason alone cannot explain in a journey of discovery that plumbs the farthest reaches of science and the human spirit.

Son & Shield Creston Mapes, 2022-01-28

When Deetz goes back in uniform to ride with Brandon during his field training, the father-son duo is dealt a harrowing demonic case involving an unlikely gunman and a brash corporate executive. As they interview witnesses, discover shocking new evidence, and dare to search for bones in locked closets, they learn not only are their lives in peril, but the devil is out for their loved ones as well.

Book 5: the knockout punch in Creston's pulse-pounding Signs of Life Series

Reader Praise for the Signs of Life Series: Well-written, tightly plotted, strong moral stand. This page-turner keeps the reader on edge. Couldn't put it down. First time I've read this author, and I find that I lived these books. I've already downloaded another series. Riveting, hard to put down, and clean action books. Must read. This author is fantastically gifted at creating true page-turning, adrenaline-raising suspense novels. You will miss sleep and maybe some chores to find out what happens next. Makes you feel exactly what each character is going through. A genuine talent. I look forward to reading all of his work. This series has characters that I just loved, and some I really disliked, and it was hard to put down because I didn't know what would happen next. Our Book Club loved it. Creston has done it again. He draws you into the story with well-developed characters. I look forward to a sequel and other books from this author.

Sooper Rad and KILLER clean mystery The kind of books I totally dig reading. Thanks, Mister Mapes. I'm straight onto the next book.

The Thirteenth Apostle J. A. Bouma, 2018-06-17

What if the story of Jesus isn't the one that happened? After terrorists attack a cathedral in Chicago and steal an ancient relic belonging to one of Jesus' apostles, ex-Army Ranger and professor of religious studies Silas Grey chances upon someone from his past who appears with a remarkable offer. Eli Denton invites Silas to help him verify one of early Christianity's most recent and most controversial archaeological finds: The Gospel of Judas. Containing the secret account of the revelation that Jesus spoke with Judas Iscariot, it tells a remarkably different story than the one contained in the Church's recognized Gospels. But the motives of this long-lost friend are mysterious, and the consequences

for Silas's faith are ominous. Meanwhile the Order of Thaddeus, ancient defender of the Christian faith, discovers the stolen apostle relic is part of a larger conspiracy that grows in significance and severity with each passing day. With this grave threat against the apostolic memory deepening, Silas's mission to uncover the mysteries of the Gospel of Judas and motives of his friend is made more urgent, but there are doubts and his efforts are thwarted at every turn. Can he preserve the eyewitness memory of Jesus' earliest apostles before Jesus' story is altered forever? *The Thirteenth Apostle* is the second book in the bestselling Order of Thaddeus action-adventure thriller series that leverages the familiar conspiracy suspense of Dan Brown and special ops thrill of James Rollins, wrapped in the historical insight of Steve Berry and inspiration of Ted Dekker. Join this explosively inventive action-packed adventure by emerging author J. A. Bouma, straddling thrill and thought, faith and doubt. A ride people are saying will not only excite and thrill you but give you something to think about and inspire you.

Wages of Sin Urcelia Teixeira, 2022-06-28 To find her future, she must embrace her past. It all comes down to this. The final installment of the Valley of Death series races at a rip-roaring pace to a tense ending. After risking life and limb to save Ben in *Shadow of Fear*, book II, Jorja walks straight into a trap she didn't see coming. Hopeless, her faith wavering and with no way out, she does the unthinkable to survive, all in the name of freedom. But freedom comes at a price, and terror and betrayal are mild compared to what's coming. Facing the ultimate test, by man or by God, a test so great that it might very well push her to the point of no return, Jorja learns what it means to truly trust and that sometimes one has to take one step back to take two steps forward. With nothing but her faith, skills, and resilience to win the ultimate battle between good and evil, no matter the cost, she pushes ahead, once more forsaking all but God to gain her freedom. But will she realize in time that the life she thinks she's always wanted might not be the same as the one God conceived? Or will she end up losing it all? Emotionally gripping from the very first page, the conclusion promises to have you hold your breath one last time as you walk with Jorja through the treacherous perils of the valley of death. *The Constantine Codex* Paul Maier, 2011-05-23 Harvard Professor Jonathan Weber is finally enjoying a season of peace when a shocking discovery thrusts him into the national spotlight once again. While touring monasteries in Greece, Jon and his wife Shannon, a seasoned archaeologist, uncover an ancient biblical manuscript containing the lost ending of Mark and an additional book of the Bible. If proven authentic, the codex could forever change the way the world views the holy Word of God. As Jon and Shannon work to validate their find, it soon becomes clear that there are powerful forces who don't want the codex to go public. When it's stolen en route to America, Jon and Shannon are swept into a deadly race to find the manuscript and confirm its authenticity before it's lost forever. *The Malefactors* A. H. Holt, 2021-07-17 Historical Christian fiction. Story of the two thieves. An epic tale spanning the lifetime of its characters. Set in Israel during the time of Christ, the story follows the life and times of two thieves. Jerusalem as its background, the story moves from the brutal life of a highwayman to the warmth of family and to the ultimate betrayal and a shattering revelation. My father, Richard Wallace Haw, wrote the basic story of this book a long time ago. His

story was obviously a work of love Written after he had visited Israel the manuscript sat in a box for years Its typewriter text faded and the paper curled with age I loved my father He was a great man I went about publishing my novels and working fulltime Long after his death I decided to rewrite his story The language and syntax were so formal but the story was beautiful I added my own touches changing enough to make it flowing and readable I am immensely proud of The Malefactors and I believe that my father is too Set in Biblical Palestine during the time of Christ The Malefactors weaves the story of the two thieves Josias and Lucius that were crucified with Jesus The life of Josias from his birth to the end brings you into the lives of incredible characters and drama An intricately woven story of crime adventure treachery love and family gives a different perspective of the time when Jesus walked the earth Historically and biblically accurate this is a remarkable work of historical fiction Bible Christ Jesus Biblical Love Family Palestine Two Thieves Thief Jerusalem Brutal Betrayal Revelation Rome Israel Jews Roman Crucifixion Historical Suspense Action Adventure Crime Treachery Procurator of Judea Pilate Tiberius Pilate Caesarea Galilean Golgotha Galilee Christian Fiction Christian Anne Haw Holt Ph D writing as A H Holt Ahholt com Genre Christian Fiction Suspense Thriller Time Period The Life of Christ Location Israel
