Colbert's America Sophia A. McClennen, 2011-11-30 Is the comedy of Stephen Colbert simply fun or is it powerful political satire Does it entertain viewers or does it empower them Or does it teach us that in today's media saturated world those binaries make no sense Colbert's America claims that Colbert's satire fosters critical thinking about social issues encourages active citizenship and entertains the viewer all at the same time The first book to cover the various themes and features of Colbert's America offers readers insight into the powerful ways that Colbert's comedy challenges the cult of ignorance that has threatened meaningful public debate and social dialogue since 9 11 **America According to Colbert** S. McClennen, 2011-11-30 America According to Colbert Satire as Public Pedagogy post 9 11 argues that in contrast to the anti intellectualism the sensationalism and the punditry that tend to govern most mass media today Stephen Colbert's program offers his audience the opportunity to understand the context through which most news is reported and to be critical of it *The Official Overstreet Comic Book Companion, 11th Edition* Robert M. Overstreet, 2010 Describes and lists the values of popular collectible comics and graphic novels issued from the 1950s to today providing tips on buying collecting selling grading and caring for comics and including a section on related toys and rings *The ^AOxford Handbook of the Science of Science Communication* Kathleen Hall Jamieson, Dan Kahan, Dietram A. bombarding us with the taunts of terrorists Snowboarder Shaun White failing to medal at Sochi Olympics Frankly I think its fair to say that never before in Olympic history has an athlete so hyped to win gold failed to even win bronze Only authoritarian regimes can govern Arab countries Show me an Arab country governed by a democratically elected government and Ill show you one that is an ungovernable mess Feminist call for liberated women to ditch high heels Its a reflection of the addictive high women get on heels that when theyre barefoot or wearing tennis shoes they invariably perch themselves on the balls of their feet to simulate those missing high heels Have you noticed this Putinization of Russia Putins propaganda has done such a terrific job of convincing Russians that Westerners are undermining their culture at home and threatening the safety of fellow Russians abroad the credibility of his presidency now depends on backing up his neo Stalinist words with avenging military action Police in U S killing unarmed Black men If I hear another political or civic leader calling for a conversation on race Im going to puke Because nothing will do more to curb deadly encounters between the police and young Black men than requiring the former to attach cameras to their bulletproof vests and prevailing upon the latter to obey police orders
