The Confessions Of St Augustine English Edition:

The Confessions of St. Augustine Augustine, 2008-04-01 Confessions is one of the most moving diaries ever recorded of a man's journey to the fountain of God's grace. Writing as a sinner, not a saint, Augustine shares his innermost thoughts and conversion experiences and wrestles with the spiritual questions that have stirred the hearts of the thoughtful since time began. Starting with his childhood in Numidia through his youth and early adulthood in Carthage, Rome, and Milan, readers will see Augustine as a human being, a fellow traveler on the road to salvation. Though staggering around potholes and roadblocks, all will find strength in Augustine's message when the road gets rough. Look to God. Previously released in 1977, this book invites readers to join Augustine in his quest that led him to be one of the most influential Christian thinkers in the history of the church. **St. Augustine's Confessions** Saint Augustine (Bishop of Hippo.), 1946 **St. Augustine's**

Augustine Saint Augustine Bishop of Hippo, 2015-06-23 The Confessions of Saint Augustine by Saint Augustine Bishop of Hippo. Translated by E. B. Pusey. Edward Bouverie, AD 401. Confessions Latin Confessiones is the name of an autobiographical work consisting of 13 books by St. Augustine of Hippo, written in Latin between 397 and 400 AD. Modern English translations of it are sometimes published under the title The Confessions of St. Augustine in order to distinguish the book from other books with similar titles. Its original title was Confessions in Thirteen Books, and it was composed to be read out loud, with each book being a complete unit. The work outlines Augustine's sinful youth and his conversion to Christianity. It is widely seen as the first Western autobiography ever written and was an influential model for Christian writers throughout the following 1,000 years through the Middle Ages. It is not a complete autobiography as it was written in his early 40s and he lived long afterwards, producing another important work, City of God. It does nonetheless provide an unbroken record of his development of thought and is the most complete record of any single person from the 4th and 5th centuries. It is a significant

theological work featuring spiritual meditations and insights In the work St Augustine writes about how much he regrets having led a sinful and immoral life He discusses his regrets for following the Manichaean religion and believing in astrology He writes about Nebridius s role in helping to persuade him that astrology was not only incorrect but evil and St Ambrose s role in his conversion to Christianity The first nine books are autobiographical and the last four are commentary He shows intense sorrow for his sexual sins and writes on the importance of sexual morality The books were written as prayers to God thus the title based on the Psalms of David and it begins with For Thou hast made us for Thyself and our hearts are restless till they rest in Thee The work is thought to be divisible into books which symbolize various aspects of the Trinity and trinitarian belief
